Dear Tellico Village Yacht Club Patrons:

Compass is committed to providing the very best service and a superior dining experience for our guests. It is our goal to exceed your expectations every time you dine with us. However, we recognize times when improvements need to be made.

During the Tellico Village Yacht Club grand re-opening last week, we experienced an overwhelming request for the prime rib offering, resulting in a shortage. While we felt that thorough preparations were conducted prior to the event, we are aware that our estimates were inaccurate for the evening's entrée special. Regrettably this resulted in having to provide a substitute offering, causing disappointment among our guests. Please know that we truly value your patronage and sincerely apologize for any frustration this may have caused.

We would greatly appreciate the opportunity to demonstrate our culinary expertise and hospitality again in our dining café during normal lunch and dinner hours. An exciting event is scheduled at the Yacht Club for the 4<sup>th</sup> of July with a themed menu, music, activities for children, and fireworks. Also, the Tiki Bar will open in June on Fridays and offer many wonderful specials throughout the year, including a "Made for Dads" buffet menu for Father's Day.

We look forward to serving you again. If I may be of service to you in any way, please don't hesitate to call me.

Sincerely,

Andy Fox

## Some Other Stuff You Need to Know...

### Cumberland Trail Hike May 11

The Tellico Village Hiking Club will hike **Cumberland Trail on Signal Mountain** (Chattanooga):

- Wednesday, May 11
- Depart 8 a.m. from the Cooper Visitors Center
- Distance: Approximately 6 miles (4 hours)
- Rating: Moderate Plus – approximately 800 feet of elevation gain
- Driving Time: 2 Hours
- Leader: Curt Sheldon, 865-458-8510

This is an interesting hike with scenic overlooks, a view of a waterfall, rock formations, wildflowers, and a swinging bridge. It also has lots of rocks to walk through and over plus a couple of steep climbs, some with stairs. The trail begins at Signal Point near the town of Signal Mountain and then quickly descends into the woods making you forget you are near the town.

Hiking boots and hiking stick(s) are recommended. Bring ample water and a trail lunch. Long pants recommended for protection from poison ivy. Directions will be provided the morning of the hike. Car-pooling is recommended and will be set up the morning of the hikes. Passengers are asked to contribute \$8 to the driver to help cover gas, etc. Check out the website: [www.tvhikers.com](http://www.tvhikers.com)

### Public Works Thanked by Friends of the Library

The Public Works staff has again been praised—this time by the Friends of the Library for assistance moving more than 35,000 books from a storage unit to the Community Church for the annual book sale.

According to Leigh Whittaker, “The fellows of Public Works are terrific. I don’t even want to think what we would do without them.”
