Some Other Stuff You Need to Know...

Kahitians Making Noise

On Feb. 10, Kahite neighborhood mustered an impressive turnout of 60 Kahitians for an evening of dining and entertainment at the Tellico Village Yacht Club. After dinner, many attended the Friday night Tiki Bar for dancing and socializing. The food and service were great and the entertainment couldn't be beaten for the money; it was free.

Each month, we simply circulate an email, suggest a time and we gather to enhance friendships, build culture and have FUN. Kahite Friends of the Yacht Club has been doing this each month for more than seven years!

Truly, we have a diamond in the rough, the Yacht Club, in our own backyard, and all we have to do as residents of Tellico Village is keep it polished from time to time!

With that thought in mind, Kahite neighborhood, which is a minimum of 15 miles away, challenges all the Tellico Village neighborhoods to put their best foot forward, rise to the occasion, and try to better Kahite's record of attendance. As members and residents of Tellico Village, support the Yacht Club—it is a significant part of our investment and value. If every member simply had dinner once a month, we could eliminate the subsidy!

March 7, the Kahitians plan on doing it all over again with dinner at the Yacht Club, but this time, in support of our Tellico Community Players, attending the adaptation of Joseph Kesselring's play, "Arsenic and Old Lace," being held at the Loudon High School auditorium March 7, 8, 9, and 10 at 7:30 p.m. curtain.

We hope to see you there.
