Spring Golf Events in Tellico Village

By **LEN WILLIS**
Golf Advisory Committee

Golf is doing well in Tellico Village. For the past couple of years we have fallen short of our budgeted rounds of golf due to an assortment of reasons which have included weather conditions, green conditions, etc. This year is different. The weather has been unusually warm and the golfers who reside in Tellico Village and guests to our courses are coming out in big numbers. At the end of March, we are more than 2,600 golf rounds ahead of budget. If the weather cooperates and the course superintendents continue their excellent management of the course conditions, we should be able to continue this trend for the year.

Jim West, Tellico Village Director of Golf, has worked hard in developing the schedule of golf events being held at Tellico Village. The dangerous part of the year for bent grass greens is the summer months. Large events that put a lot of stress on the course condition, especially the greens, have been scheduled primarily in April, May, June and the fall part of the year. This helps keep the traffic on the courses down during July through September. The following events are scheduled for the next month:

MGA Member/Member

This is a very popular event among men of Tellico Village. It is a two-man team that is put in flights based on handicaps. The event is played at the Toqua and Kahite courses over a two-day period. The date of the event is Saturday, May 5, and Sunday, May 6. This event always fills up. Presently, we have more than 80 teams signed up with a maximum of 100. There must not be a difference in handicaps of more than 8 between the two members. To sign up, contact the Toqua course (865-458-6546).

Lion's Club

This event helps support the many good deeds performed by the Lion's Club. The event is scheduled for Saturday, May 12, at the Toqua golf course. It is a four-person scramble event and the teams are put in flights based on each member's handicap. You can sign up for the event as an individual or as a four-person team. Individuals will be placed on a team. Sign-ups are accepted at all Tellico golf courses.

Tellico Fun Day at Kahite

This "fun" event is held each year on Mother's Day. This year the date is Sunday, May 13. It allows for all types of golfers to join the fun. If you have a handicap, you will play an individual 18-hole stroke play tournament for both men and women. Flights will be based on handicaps. If you do not have a handicap, you can elect to play either 9 or 18 holes. There are prizes for flight winners, putting contest, longest drive, most accurate drive and closest to the hole on all Par 3s. There will be men and women categories in all competitions. It is an 11 a.m. shotgun start and the entry fee (\$20 with handicap/\$15 without handicap) includes dinner served in the Kahite Pub. Sign-ups can be as individuals, couples, or foursomes. All sign-ups are at Kahite, 423-884-6108.

Golf Beautification

The three Golf Beautification Committees for the Tellico golf courses need your support. This fund-raising event is held each year to provide funding to the Beautification committees. All of us have seen the works they have performed and they can only continue their work with needed funding. The event will be held on Saturday, May 19, at the Kahite golf course. The planners for this event, Marsha Gaster and Brenda McJunkin, are promising a good time for all participants. It will be a type of scramble format that requires at least one woman in each group. You may sign-up at all the Tellico golf courses.

Other News

At the April Golf Advisory Committee meeting, a subcommittee was formed to discuss a way to maximize the efficiency of our tee sheets. During the busy times of the week (Monday, Wednesday, and Friday mornings) we were having gaps in the tee sheets because once a 9-hole group finishes their round, there is no other group scheduled to complete the remaining 9 holes. This created situations where there were many 9-hole time slots not being used. The subcommittee's primary task was to

find a solution to this problem. Working with PGA Professional Adam Jacob and Golf Course Superintendent Chris Sykes, the result the group came up with was to introduce a Gap System tee sheet. A Gap System tee sheet means that for the first four hours of play on Monday, Wednesday, and Friday mornings, will be for 18-hole golfers only with the exception of 8 tee times for 9-hole golfers only. After the first four hours, requests can be made for 9- or 18-hole rounds. The biggest change for what we currently do is that if you book a 18-hole time in the four hour gap, you will be paying for 18 holes of golf. With the current 9-hole requests, we will have plenty of space to accommodate play and maximize the tee sheet. If 9-hole demand goes up we will adjust accordingly. This will start on May 16.

Following is an example of the Gap System tee sheet and the 9-hole times for each month.

- 7:30 a.m. Start Time (June, July, August): The 9-hole times will be 8:30, 8:38, 8:47, 8:55 and 10:30, 10:38, 10:47, 10:55.
- 8 a.m. Start Time (May and September): The 9-hole times will be 9, 9:08, 9:17, 9:25 and 11, 11:08, 11:17, 11:25.
- 8:30 a.m. Start Time (April and October): The 9-hole times will be 9:30, 9:38, 9:47, 9:55 and 11:30, 11:38, 11:47, 11:55.
- 9 a.m. Start Time (March): The 9-hole times will be 10:03, 10:12, 10:21, 10:30 and 12:03, 12:12, 12:21, 12:30.

Kiwanis Reminder: May 13 Is Mother's Day

To honor Mothers, while serving the children of the world, the Kiwanis Club of Tellico Village is raising money to help protect child bearing women and their newborns from the suffering and deaths resulting from maternal/neonatal tetanus.

Each year tetanus kills tens of thousands of mothers and their infants. Tragically, one baby dies every nine minutes from this dreaded disease; each day 160 infants lose their life to tetanus.

Fortunately there's a cure, and you can help! A \$1.80 donation provides immunity for one woman and her future babies. A gift of \$18.00 can protect 10 mothers and their babies. All donations are tax deductible.

Make checks payable to: Tellico Village Kiwanis Foundation, mark "Eliminate" and mail to:

Mike Cottle, Treasurer
Tellico Village Kiwanis
324 Mingo Way
Loudon, TN 37774

Thank you for your generosity. Working together, we can eliminate tetanus once and for all.

I may share. I'll kinda feel my way along with the audience." Landry's book tells about moonshiners, local ghost stories, unusual histories and even a story about a tourist who wanted to ride an elk. A book signing will follow Landry's performance.

Landry's performance will provide an opportunity to hear the stories behind the stories that made WBIR-TV's *The Heartland Series* a favorite in East Tennessee. The popular TV history series spanned more than 25 years and was nationally recognized, earning four Emmy Awards and six IRIS Awards from the National Association of Television Program Executives.

Landry, and his production team, researched, wrote and recorded more than 1,300 episodes of *The Heartland Series*. For more than 25 years, the familiar warm voice of Bill Landry transported viewers nightly from their living rooms to remote bear dens, misty mountain tops and isolated settlements to experience the stories that help make Appalachia such a rich cultural area.
