## **Some Other Stuff You Need to Know...**

### **Bob Stratton Bald Hike May 9**

The Tellico Village Hiking Club will depart 8 a.m. Wednesday, May 9 from the Chota Center parking lot (formerly Cooper Visitors Center) to hike:

- **BOB STRATTON BALD**
- Distance: Approximately 7 miles
- Rating: Difficult
- Driving Time: 1.5 hours
- Leader: Gail Eades 865-599-6785 [g3evolution@gmail.com](mailto:g3evolution@gmail.com)

Bob Stratton Bald is a grassy meadow located off the Cherohala Skyway at an elevation of 5,360 feet and offers views of the Unicoi mountains as well as the Joyce Kilmer Wilderness Area.

The trailhead is located at Beech Gap just before the North Carolina border. The first 1.8 miles is on a fairly flat and wide trail with minimum elevation changes. For the remaining 1.5 miles, the trail changes to a narrow trail which is somewhat rutted (cup shaped) and follows a ridge line through patches of rhododendrons and blackberry bushes. The elevation change for this portion of the trail is 749 feet over 1.1 miles with the most difficult portion being a 0.2 mile stretch which is rated moderate to strenuous.

Please keep in mind that weather conditions at these elevations can be more extreme than at lower elevations.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. For more information, go to

### **Friends of the Library Seek Project Support**

Friends of the Tellico Village Library are looking for a few good people for two projects. Do you have some telecommunications experience? Or perhaps Long-Range Planning experience? Could you help us determine what is needed for our new library? The Telecommunications Committee is a temporary committee and is not expected to exceed 5 months in duration. The Long-Range Planning Committee would help us develop a 3-5 year plan for the Tellico Village Public Library. This is expected to be 9-12 months in duration for this initial phase.

If you're willing to help us with either of these projects, please contact Sharon Addison, 865-458-8777 or [sharon.addison@att.net](mailto:sharon.addison@att.net).

### **Tellico Village Interclub Golfers Scoring Well**

Competition began on Wednesday, May 2, for the 2012 Knoxville Interclub golf season. This interclub organization consists of 9 golf clubs: Beaver Brook, Cherokee, Fox Den, Green Meadow, Holston Hills, Gettysvue, Oak Ridge, Tellico Village and Tennessee National. During

the season from May to October, matches are set for each club to host a competition. Tellico Village will be hosting the event Sept. 27 at Toqua.

Each club is to send a team consisting of their four lowest handicap golfers who are available to play the scheduled tournament. The participants vary for each match due to changing handicaps and availability, but the Tellico Village ladies do a great job of keeping interclub dates open and are ready to play when needed.

Stableford scoring is used and there is a gross and net result for each match. The points for each match are added to the next match, and awards are given for gross and net at the conclusion of the season.

At the opening event at Beaver Brook, players representing Tellico were Dee Prickett, Janet Kincaid, Anne Parkhill and Bonnie Wood.

The results of the opening event have the Tellico team in third place in gross and sixth place in net points. The next interclub competition will be May 31 at Cherokee Country Club.

### **TV Badminton Club Welcomes New Members**

The Tellico Village Badminton Club recently welcomed new members by holding a celebration at the Yacht Club. We help our new members feel comfortable learning our sport by providing a three session orientation program, offering a Casual Play Day each week to help new members practice while gaining confidence, and we hold a racquet try out day to provide the opportunity to choose a racquet that fits personal style of play. New members are furnished a racquet until they are ready to graduate from the standard racquet to a racquet that will help them grow their skills. This year, we hosted a nationally recognized coach who spent the day with our club offering clinics to three different skill levels. As a club, we do our best to help all of our members be the best they can be on the court.

**321 Bridge Layout:** The graphic above shows the route for the new bridge on 321. According to Loudon County Commissioner Don Miller, "TDOT is going out for bids on June 15." He says Villagers can expect to see some work beginning in August if all goes well. Potential contractors made a pre-bid visit a couple of weeks ago to inspect the location of the new bridges and new road.
