Some Other Stuff You Need to Know...

POA Announces Personnel Moves

Glen Spidell, Human Resources Director, is leaving the POA effective June 1 because as he says, "it's time." Glen has worked for the POA for more than 14 years.

"Glen has been my right hand when it comes to personnel issues and challenges here at the POA," said Winston Blazer, General Manager. "He has done a great job securing the best programs for our employees to ensure they are well taken care of. He will be missed."

"I have enjoyed working with the employees here over the years, and hope I have made a contribution to the success of this organization," said Glen Spidell.

A wide search is underway to secure a replacement for Glen. In the interim, Cris Carter, HR Assistant, will manage all employee programs.

Pat Rose, Course Superintendent at Tanasi Golf Club, has accepted the Head Golf Course Superintendent position at Signal Mountain Golf and Country Club near his hometown of Chattanooga and will be leaving Tellico Village in early June.

"Over the past year, Pat's leadership and devout commitment to excellence at Tanasi Golf Club has led to an extraordinary improvement in golf course conditions," said Jim West, Director of Golf. "Further, his daily interaction with our membership and contributions to various committees has been of great benefit to all of Tellico Village. From a personal standpoint it has been a very rewarding experience to work with Pat."

As the search for a new head superintendent continues, Chris Sykes' first assistant superintendent Wells McClure will function in the role of interim head superintendent at Tanasi.

Good luck and thank you to Glen and Pat.
