Some Other Stuff You Need to Know...

Take a Hike June 13

The Tellico Village Hiking Club will depart from Chota Center (formerly the Cooper Visitors Center) 8 a.m. Wednesday, June 13, to hike:

... MIDDLE PRONG TO INDIAN FLATS FALLS

- ... Distance: 5 to 8.2 miles (depending on when you turn around)
- ... Elevation Gain: 1,000 feet (gradual)
- ... Rating: Easy
- ... Driving Time: 1.25 hours
- ... Leader: Larry Peck, 865-408-1677 or jhp7oaks@aol.com

This is an in and out hike. The trail is one of the most beautiful sections of the Great Smoky Mountain National Park near Townsend and Tremont. The trail follows the rushing Middle Prong of the Little River, and features overlooks of waterfalls, cascades and rapids cut through a narrow gorge. This hike follows a wide, old logging railroad bed up a gentle slope with 1,000 feet of gain. The hike is 5 to 8.2 miles depending on if you continue on to Indian Flats Falls. The Indian Flats Falls are a strand of four falls on Indian Flats Prong. Since the hike is between 2,000 and 3,000 feet elevation, the temperature and humidity will be lower than in Tellico Village. We plan to eat lunch along the trail on a bridge over the river.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch. Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. Check out the website www.tvhikers.com.

Facebook and Social Media for Seniors

Because of May's overwhelming success of "Facebook for Seniors," the program will be presented again 7 p.m. Tuesday, June 19, in the Yacht Club.

The focus of the presentation is on descriptions of Facebook and other social media (such as Twitter, LinkedIn, Skype and Google+), how they work, and the purposes they serve. Privacy and security issues will be addressed. Note that the program is not intended to be a step-by-step "how to."

Suzanne Benn and Sandor Pardi from Information Technology at Maryville College will present. The meeting is open to the public and is free; however, space is limited so you are asked to sign up at the Tellico Village Library.

Contact Billie Whitney, 865-458-6002, for information regarding this program.

East Lakeshore Trail Attracts Hikers

Covenant Health's Missy Kane and some of her hiking buddies from Missy's Fit and Fun group joined Village hikers May 30 to hike the Glendale Branch of the East Lakeshore Trail System.

Bob Martin, head of trail building for WATeR, explained the trail system and its origin to the hikers. Bob Kutschera led the hike. WATeR supports projects such as the trails to improve the environment in and

around the Tellico Reservoir. The Eastlake Shore Trail System has been awarded National Recreation Trail Status. Missy Kane spearheads numerous fitness groups for hiking and biking. She regularly appears on Fox 43 Tuesdays on WBIR's morning show.
