Village's No Solicitors Policy

Solicitors seems to follow stormy weather as rainbows do rain. In Tellico Village, there is a policy against door-to-door solicitations (signs are posted throughout the Village) and it is considered trespassing; Village roads are private property. Only Village property owners and their guests have permission to use the roads.

If you see anyone soliciting, contact Public Works as soon as possible by calling 865-458-4522 or call the police.

Some Other Stuff You Need to Know...

Take a Hike June 13

The Tellico Village Hiking Club will depart from Chota Center (formerly the Cooper Visitors Center) 8 a.m. Wednesday, June 13, to hike:

... **MIDDLE PRONG TO INDIAN FLATS FALLS**

... Distance: 5 to 8.2 miles (depending on when you turn around)

... Elevation Gain: 1,000 feet (gradual)

... Rating: Easy

... Driving Time: 1.25 hours

... Leader: Larry Peck, 865-408-1677 or jhp7oaks@aol.com

This is an in and out hike. The trail is one of the most beautiful sections of the Great Smoky Mountain National Park near Townsend and Tremont. The trail follows the rushing Middle Prong of the Little River, and features overlooks of waterfalls, cascades and rapids cut through a narrow gorge. This hike follows a wide, old logging railroad bed up a gentle slope with 1,000 feet of gain. The hike is 5 to 8.2 miles depending on if you continue on to Indian Flats Falls. The Indian Flats Falls are a strand of four falls on Indian Flats Prong. Since the hike is between 2,000 and 3,000 feet elevation, the temperature and humidity will be lower than in Tellico Village. We plan to eat lunch along the trail on a bridge over the river.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water and a trail lunch.

Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc. Check out the website www.tvhikers.com.

Facebook and Social Media for Seniors

Because of May's overwhelming success of "Facebook for Seniors," the program will be presented again 7 p.m. Tuesday, June 19, in the Yacht Club.

The focus of the presentation is on descriptions of Facebook and other social media (such as Twitter, LinkedIn, Skype and Google+), how they work, and the purposes they serve. Privacy and security issues will be addressed. Note that the program is not intended to be a step-by-step "how to."

In case you missed it (originally published May 8, 2012): 321 Bridge Layout—This graphic shows the route for the new bridge on 321. According to Loudon County Commissioner Don Miller, "TDOT is going out for bids on June 15." He says Villagers can expect to see some work beginning in August if all goes well. Potential contractors made a pre-bid visit to inspect the location of the new bridges and new road.
