Art Spurrier ‘Spirit’ Award Presented by United Way

Iris Spurrier was all aglow with pride as she was presented a plaque commemorating her late husband, Art, and his passion for the United Way: The Arthur Spurrier “Spirit Award” was presented by Dr. Sam Marcy of the United Way with this inscription:

In fond memory of Arthur Spurrier, Tellico Village Pioneer, co-founder & second president of the HOA, dedicated United Way Board Member, honoring his selfless commitment to “give back” to his adopted home. Arthur conceived and organized Tellico Village’s annual United Way campaign on behalf of Loudon and Monroe County citizens.

This award annually recognizes two neighborhoods having the greatest percentage of households contributing to the annual campaign.

The 2011 Campaign neighborhood winners are Kahite with 54.8% and Mialaquo with 23.6%.

Some Other Stuff You Need to Know...

Monroe County Election Information

There will be two opportunities to vote in this year of 2012: The first is on Aug. 2 and then Nov. 6. The Election Commission has added new polling locations and because of the redistricting results, many county voters will have multiple ballots. BUT all Kahite voting issues will take place at the **Vonore Elementary** location, with one exception. The Election Commission is testing a new satellite voting scheme at some test location which will be announced soon. These are in addition to the regular schedule. This new test program will be trying out a way to electronically place your registration information at remote locations and eliminate the manual logs and records which we have seen in the past. These test sites will only be for a few days each, in multiple spots in Monroe County (places announced later) and will be evaluated for possible full use in elections in coming years.

The Aug. 2 voting will include Federal and Tennessee State Primary spots, County School Board (Kahite is still in District 2), and County Property Assessor. There are six candidates for the School Board openings

July 3 was your last day to register to vote. New residents should go to the Election Commission office and register: 401 Main Street, Madisonville. You will sign an affidavit regarding your residency.

WHEN YOU GO TO VOTE IN AUGUST or NOVEMBER a new Tennessee law will require to also produce a Photo ID: This could be a Tennessee driver’s license, US Passport, Department of Safety photo ID, US Military photo or a gun permit with a photo. For more details including absentee voting by mail, see <http://www.tn.gov/sos/election/by/mail.htm>. For the Aug. 2 event, early balloting will be available through July 28 at the Election Comm.

Office at the above address.

Channel 3 gets new equipment

After many years of using band aids and chewing gum to hold everything together, Channel 3 has invested in the future of Tellico Village communications with the purchase of new broadcast equipment and software. The new equipment will allow smoother transitions from video to bulletins as well as enhance the creativity of our many volunteers. There will be some new features such as Weather Bulletins, National News feeds and programming from outside sources.

It will take some time for the staff to learn the new software as well as populate the new database with the background images of the various Tellico Village organizations. If you would like to update, change or add a new image for your organization to the NEW Channel 3 database, send a JPEG image to Channel3@charter.net.

While the staff is learning the new software they will run side by side systems until confident with the new system. Stay Tuned!!
