Kids Reap Benefits From Kiwanis Fund Raisers

Thanks to the community support of Kiwanis' fund raisers, such as the Pancake Breakfasts and Charity Golf Outing, \$4,000—in the form of 40 gift cards, each worth \$100—was recently distributed to 40 deserving children of Loudon County.

The money is used to buy back-to-school clothes for the start of the 2012-2013 school year.

The distribution of Wal-Mart prepaid gift cards is an annual project that the Kiwanis Club of Tellico Village implements every year. This year the club was able to increase the amount of funds and the number of children who benefited due to the generosity of our supporters.

Bob Frazer, Project Chairman for this Kiwanis program, organized and coordinated this program with the Family Resource Centers at Loudon County and Lenoir City schools. Cindy Purdy and Susan Fox, respective directors of these two local community service organizations, identified

and screened the candidates for the gift cards.

The Wal-Mart store in Lenoir City graciously provided space and refreshments for all of the participants. Tammy Lane is Wal-Mart Coordinator.

Bob Frazer noted that this is one of the many programs that the local Kiwanis Club pursues to provide help to the youth of the community. The Kiwanis Club motto is "Serving the Children of the World". The funds for this type of program are only possible from the generous support of the local community for the fund raisers that the club sponsors.

One of the most important of these fund raisers is the upcoming annual Kiwanis Club of Tellico Village Charity Golf Tournament that will be held on Saturday, Sept. 8th at The Links at Kahite in Vonore, TN. We are again looking to the support of the community for this event. Players should call Russ Hanson at 865-458-1311 for details and registration.

Sponsors are of utmost importance to fund raising events. Call Rob Orkney at 865-458-3215 to help with these worthwhile projects and get exposure for your products or services at the same time.
