Now Featured on Channel 3

... **Spotlight on Tellico Village** airs 9 a.m. and 5 p.m. daily. Fred Toettcher provides details of the marketing plan to sell 170 POA-owned lots. The plan includes incentives for Villagers who buy a lot and potential rewards for getting friends/family to buy a POA lot. He also explains how the lots were evaluated and priced.

Board Answers Leadership Forum Questions

By Tellico Village Board of Directors

Editor's note: Many questions were posed via the survey after the May 10 HOA/ POA Leadership Forum. These answers are provided for information and will appear in the next several Tell-E-Grams.

Is anything being done to permanently fix the water main on Okmulgee Circle in Tanasi?

No matter when a water main breaks, it is much like losing your electrical power, it is a major inconvenience. Sometimes, water main breaks are perceived as happening more frequently than they actually do.

The Public Works Department monitors Tellico Village water and sewer lines on a daily basis. If a break occurs, not only is it repaired in less than 24 hours, but the information regarding that break is recorded and kept on file for tracking purposes.

The particular break in question was over a sink hole. It was repaired and monitored. According to the Public Works Department, there was not another break in the same location after it was repaired the first time.

Some areas within Tellico Village neighborhoods, such as Mialaquo and Tanasi Point, are more susceptible to water line breaks because of the topography of that particular area. On a map of Tellico Village, the Public Works Department marks each water and sewer leak with the date and year and tracks each leaks for potential break.

If a property owner has a question regarding water main breaks, it is recommended that they contact the Public Works Department at 865-458-4522 to voice their concerns.

Info for Groups Using the Yacht Club

Attention clubs and organizations utilizing the Yacht Club: To maintain safety and order in the main entryway, please call Susan to reserve signup tables, 865-458-4363. The Yacht Club allows only two tables lined with black linen in the lobby (two groups at one time). Thank you for your cooperation.

Tour de Tellico Sept. 22

More than 200 bicyclists from around the southeast will be in Tellico Village on Saturday, Sept. 22, for the seventh annual Tour de Tellico sponsored by the Rotary Club of Tellico Lake. There will also be a number of "Fun Walkers" touring the Toqua neighborhood as part of the event. Please be alert for bicyclists and walkers on our roads.

Bicycling and walking route details are at www.tourdetellico.com

STAR Benefit Dinner Sept. 23

The Shangri-La Therapeutic Academy of Riding will have a dinner 6:30 p.m. Sunday, Sept. 23, in Season's Café. Tickets are \$45 and 15% will be donated to STAR. Seating is limited. Call Season's Cafe for reservations at 865-671-3679.

The three-course meal includes red and white wine as well as:

- ... Salad: Mixed baby greens with candied pecans, oven roasted tomato, shaved parmesan and white balsamic vinaigrette
- ... Entrée (Choices):
 - ... Seared chicken breast topped with lemon basil cream sauce
 - ... Sautéed shrimp served with a classic Provencal sauce of garlic, tomatoes, and mushrooms
 - ... Fire roasted beef medallions accented with Marchand de Vin sauce
 - ... Seasons mashed potatoes, buttered asparagus spears, and charred red pepper to accompany
- ... Dessert: Vanilla cheesecake served with Chantilly whipped cream and fresh market berries

Kiwanis Provide Prometheans for Kindergarteners

Prometheans is a big word, especially for kindergarteners. From their point of view, it is also really big...it towers above them. It is a big interactive white board used in schools across the country.

Before Kiwanians got involved, kindergarteners in Loudon Elementary School had to stand on a shaky chair to use it fully, otherwise, they could reach only the bottom portion of these high tech boards. Members of Kiwanis of Tellico Village built a sturdy step for each of the five Kindergarten classrooms...the teachers and the kids love it!

Patrick is shown in one photo using the small, somewhat shaky chair...a

potentially unsafe practice.

Aiden and Patrick illustrate the before and after aspects of using the board without the step and with it.

The Kindergarten kids in Loudon Elementary School have been given a “leg up” on learning with these new sturdy steps. Mary

Sandel, who assists at the school is the wife of Bob Sandel, a member of Kiwanis. She is to be credited for bringing the need to the attention of her husband and the Kiwanis Club.

Tellico Village Kiwanis Club has a Community Service Committee who are dedicated to “serving the children” of Loudon County area...this is only one of their many projects.

Ms. Ashley Williams is standing next to one of the white boards. She is a kindergarten teacher and was our primary contact at the school.

Jessica Hazel, a Pre-K, Special Education Teacher is the latest to receive a sturdy step for her classroom. The popularity of the steps has spread so that other teachers are now requesting this useful addition to their classrooms. Kiwanis is happy to help.
