Art Guild Meets Oct. 18, Features the Clinards

The Art Guild of Tellico Village's next meeting will be 9:30 a.m. Thursday, Oct. 18, on the upper floor of Tellico Village Yacht Club. Guild members and guests are encouraged to attend. The meeting begins with a meet-and-greet and brief business meeting, followed by a presentation by Tennessee artists Lil and John Clinard (www.ClinArt.biz).

Self-described as "representational painters with an impressionist bent," this husband-and-wife duo shares a passion for art and also a studio. Both paint landscapes and architectural scenes and draw inspiration from

photos taken during their extensive travels. However, while John works primarily in oils, Lil prefers watercolors.

Lil is a self-taught artist whose goal is to express her response to the natural world through brush stroke, texture, color, light, and composition rather than with photographic detail. Lil says, "I like to paint in a loose and impressionistic manner letting the viewer complete the picture, and watercolors lend themselves to this style and approach perfectly." Her work has appeared in several state and regional group exhibitions, galleries, and juried shows. Her pieces are currently available through the Art Market Gallery in Knoxville, the Town Framery in Farragut, and the Chota Recreation Center in Tellico Village.

John has been drawing and painting since childhood, but only since retiring from a 30-year career as an Oak Ridge engineer has he focused on his art full-time. Hallmarks of his work are an impasto style, depth and

The Clinards' joint presentation to the Art Guild will focus upon their shared journey, providing insight into their creative processes and illustrating how their styles have evolved. They will also impart tips for how they have successfully managed a marriage of two artistic careers with constructive critique and mutual support.

Record Turnout for Pickleball Tournament

A record number of players turned out for Tellico Village's third annual Age-Based Fall Pickleball Tournament. Members of other pickleball clubs were invited and came from as far away as Nashville and

Chattanooga to participate to in this event. In all, 56 athletes ranging from 46 to 78 years of age, enjoyed three days of competition and camaraderie enhanced by perfect autumn weather.

The Tellico Village Pickleball Club hosts two major tournaments each year. "We try to give every player, whether new or experienced, an opportunity to compete at his or her own level," explained club president Dan Dyer. "To do that, the Fall Tournament is bracketed by age group and the Spring Tournament is bracketed by skill level."

Thom Lewis, the tournament's chairperson, posted this year's results on the Pickleball Club's website. They may be viewed at www.tvpbc.org.
