- **Ginny Ranck: 1,099**
- Rick Blough: 1,056

The POA Board is inviting the entire Tellico Village community to the Marketing/Communications Program Campaign Launch Meeting on Monday night. The POA has been working on plans to market Tellico Village for quite some time now. In 2010, the Long Range Strategic Vision was published with External Marketing of the Village as one of the non-amenity initiatives recommended by the LRPAC. In February of this year, the Board rolled their sleeves up and got to serious work by hosting a Brand Management Seminar delivered by Mary Beth West Consulting. Earlier this summer, they solicited the extraordinary skills of Fred Toettcher and Joe Bogardus, Village residents and volunteer marketing gurus, to develop a plan. Soon after, the Tombras Group, a full-service marketing agency in Knoxville, was hired to work on the details of the 2013 plan. Come on out and join your friends and neighbors as we see what's on the horizon. Details below.

2013 Tellico Village Marketing/Communications Program Campaign Launch Meeting

WHAT: An opportunity to see first-hand the new Marketing and Communications Program...what does it look like, what will it do, why are we doing it?!?!?

WHEN: Monday, December 10, 7 p.m.

WHERE: Community Church of Tellico Village, Main Sanctuary

WHO: All Villagers are invited to attend. Leading the meeting: The POA Board, the Tombras Group (Knoxville-based marketing and advertising firm), our very own volunteer resident experts Joe Bogardus and Fred Toettcher.

Golfer Shares Thoughts for Thanksgiving

By Len Willis, *Golf Advisory Committee*

This is the time of the year when we give thanks. We all have big and little things that make us happy, excited and thankful. The following are a few golf related things for which I am thankful:

I am thankful for the excellent condition of all three of our golf courses.

I am thankful for the work our golf course superintendents performed to get our courses to their current condition.

I am thankful for all of our golf course maintenance staff for their continuing efforts to satisfy the demands of the Tellico Village golfer.

I am thankful every time I don't hit my approach shot to the left on number 4 at Kahite and down the steep slope. My ankle can only take so much abuse.

I am thankful for the golf course Beautification Committees for their work to make each of our courses the best they can be. They perform a lot of activities that go unnoticed by most residents.

I am thankful for the new golf carts at Tanasi this year. It is reassuring to know that carts will be replaced at each golf course when needed.

I am thankful for the continuing effort to make sure the greens at Toqua have a fighting chance against the shade of the surrounding area. This ongoing project involves necessary tree thinning for increased sunlight.

I am thankful for the hole location sheets on all the courses. It is now a uniform process that allows the golfer to know the location of the hole on each green based on the placement sheets in the cart and the number being used that day.

I am thankful for the Golf Clinics being conducted by our PGA Professionals on Saturday mornings. They have been successful and have received excellent reviews. I am also thankful that they are FREE.

I am thankful for the support of the "Play it Forward" program in Tellico Village. As we advance in age, the need to play more forward tees becomes a necessity.

I am thankful for the GAC members that have worked hard to establish additional forward tees at Tanasi and Toqua.

I am thankful for each day at the golf course when there is no "Cart Path Only" sign.

I am thankful during large tournaments when the cart lady arrives with many choices of refreshments.

I am thankful for a hot dog with mustard and onions at the turn. I can taste the hot dog for at least three days afterwards.

I am thankful each time I check in at the clubhouse and the employee behind the counter greets me with a smile and "How are you?" attitude.

I am thankful when the food manager at each of our golf courses works hard to satisfy the customers.

I am thankful for the new trees placed on the fairway of Number 11 at

Kahite.

I am thankful for the new mowing practices at each of our courses that gives everyone a choice of shots from around the greens.

I am thankful for the dress code at our golf courses.

I am thankful for all the golf leagues that provide a place for everyone to play regardless of handicap. The leagues seem to do better each year.

I am thankful that I can no longer drive to the water on Number 18 at Tanasi.

I am thankful for the beautiful view from the Number 14 tee box at Toqua.

I am thankful for the Men's Member-Guest Golf Event that allows one of my sons to spend 4 fun days with me on the golf course making fools of ourselves.

I am thankful that even on some days in the winter, I can wear clothing to play golf that doesn't make me feel like an Eskimo.

I am thankful that the green speeds have increased. By the way, I am a lag putter and this helps me from constantly hitting my putts short.

I am thankful for living in Tellico Village and being surrounded by beautiful golf courses, majestic mountains, a wonderful lake, and, most of all, my wife and friends.

Kiwanis Looks to Immunize Mothers, Children from Tetanus

Did you know that unprotected pregnant women with tetanus can pass it directly to their unborn children? Tetanus doesn't just kill, it causes extreme pain and sensitivity to light, touch and sound, robbing a mother of the chance to provide even the comfort of her touch.

You can help eliminate maternal and neonatal tetanus with an end-of-year tax-deductible contribution.

Kiwanis International in partnership with UNICEF has embarked upon a five-year campaign to eliminate maternal and neonatal tetanus; we call it the Eliminate Project.

Kiwanis Club of Tellico Village endorses this project and strongly urges
