- Public Services Advisory Committee, 1 p.m. Thursday, Dec. 20, POA Office

Funding the Long Range Strategic Vision

By TVPOA Board of Directors

The Amenity Reserve is used to improve the various facilities in Tellico Village to keep them in good competitive condition. These improvements are above the normal maintenance completed each year through expense spending and help to keep our amenities current and competitive with similar communities who compete with the POA for future property owners.

The Amenity Reserve is also used to add new amenities that the property owners require for their enjoyment and to attract new property owners. It is imperative for the POA to fund the Amenity Reserve to complete these improvements and additions to our amenities which are described in the Long Range Strategic Vision.

The Tellico Village POA has an active Continuous Improvement (CI) program that drives improvement in all areas of all departments. CI generally results in cost savings in many areas, some are one-time and others are recurring savings. CI can also result in increased revenue, as some departments have unused capacity (Golf, Yacht Club, Recreation), and through CI efforts, they attract residents and/or guests to increase utilization of those amenities which drives above-budget revenue through incremental user fees.

In both cases, CI cost savings (one-time or recurring) and CI revenue growth (usually one-time) collected throughout the year and based on total year-end net income, are added to the Amenity Reserve. There are times when other above-budget expenditures and/or unplanned events will require the use of the CI funds, such that all the CI funds are not added to the Amenity Reserve in order to cover those above-budget expenses. But the overall intent of the POA Board of Directors is that most or all of the CI funds each year be added to the Amenity Reserve at the end of that budget year. The targeted amount of CI funds each year is approximately \$150,000 to \$300,000.

Another way the POA uses to fund the Amenity Reserve is to designate a variable portion of the monthly assessment from Property Owners to be deposited in the Amenity Reserve. The normal yearly assessment increase is determined by inflationary expenses, increases in services to the property owners and other factors. The POA has on occasion added an additional incremental amount to the needed assessment increase, still keeping the increase at or below the 5% maximum increase, to fund the Amenity Reserve at the end of that budget year.

Submitted by Dee Butler

COPs Seminar on Identity Theft Jan. 24

The COPs Program will be hosting a crime prevention presentation covering Identity Theft 6 p.m. Thursday, Jan. 24, on the top floor of the Yacht Club. No reservations required.

This presentation will be the first in a series of quarterly crime prevention topics and our guest speaker will be Cindy A. Mosgrove, General Analyst, United States Postal Inspection Service, Knoxville, TN. Subjects to be covered will be, in part, Identity theft schemes, detection, deterrence, prevention, with additional subjects. There will also be a question-and-answer period.

Please plan to attend this presentation if possible and forward information to someone whom you think might like to attend. In addition, an article will appear in *The Connection* and will be presented on Channel 3, our Village television station. Light refreshments will be served.

Submitted by Ralph Kidd, COPs/Coordinator Loudon County Sheriff's Department

POA Holiday Schedule

The POA Administrative Offices will be closed:

- Monday, Dec. 24
- Tuesday, Dec. 25
- Tuesday, Jan. 1

The POA staff wishes you happy holidays!
