## SIMON BRADBURY ELECTED PRESIDENT OF TRPA

This past Saturday our very own Recreation Director Simon Bradbury was named President of the TRPA (Tennessee Recreation and Parks Association). TRPA is a non-profit professional society that has been servicing Tennessee since 1952 and currently consists of 800 members.

Simon has over 20 years of experience in professional recreation management. He has also collected a CPRE certification along with his bachelor’s degree in Recreation Management, as well as, a master’s degree in Therapeutic Recreation. Simon also graduated from the following institutions; National Director’s School and Graduate Program, Revenue Management School, and Parks Maintenance School.

Simon was instructed, as tradition, to select people who inspire him to induct him. He was sworn in as president by his family as well as Doug Bataille, founder of the Legacy Parks Foundation.

Simon described this honor as, “One of life’s truly rewarding moments. Feeling blessed, humbled, touched, grateful, and incredibly fired up,” Simon also said that, “I decided years ago while in the Navy that if I make it out, I will do something fun that gives back to the community as my career.” He found that recreation

Simon has been with the POA for 2 years and with the TRPA for 20. We are very fortunate to have him as a part of our team and want to congratulate him and wish him the best in his new role.

## REC COMMITTEE UPDATES AND MORE

The Recreation Committee meeting scheduled for October 11th will be canceled the next meeting is scheduled for November 8th.

With sadness, we announce that our long-time massage therapist and friend, Chris Fiore, has decided to fill her days with the laughter of her granddaughter, which will require relocation to Houston, TX. Chris' last day at the Wellness Center will be October 17th. She will be seeing her regular customers up until that date. Should you still have a gift certificate after October 17th, you can contact Vanessa Hennessey at 847-420-5386. Vanessa, who currently assists Chris on Tuesdays, will remain at the Wellness Center on Tuesdays through Dec 21st, 2018 to honor any outstanding gift certificates which may still be floating around. When contacting Vanessa, please leave your full name and a best number to text you at, she will not receive phone calls, she will only be corresponding through texting. Vanessa is going to try and be available a couple of extra days on Thursdays later after Chris has left. The future of massage at the Tellico Village Wellness Center will be assessed by the Recreation Advisory Committee and Recreation Management during the upcoming months.

## 2019 SCHEDULING WITH THE YACHT CLUB

## LIBRARY CORNER

Wednesday, November 14, 2018, The Annual Meeting for the Friends of The Public Library at Tellico Village will be held at 7 p.m. in the Christian Life Center of the Community Church of Tellico Village. All are welcome!

The evening will include library updates and the election of officers by members of the Friends.

You won't want to miss the Main Event of the evening - the program presented by Dr. William M. Bass, Forensic Anthropologist, Bestselling Author (fiction and non-fiction that centers around forensics and bodies), and creator of "The Body Farm". The University of Tennessee Professor Emeritus Dr. Bass is widely regarded as a foremost expert in this field. He has many experiences to share, forty-eight years and 700 cases, although he does acknowledge not all have been solved, but even that is a lesson learned. Maybe as many as 30-40 remain unsolved and pose the questions: what have I missed and what can I do better?

There is no charge for this presentation. Information: 865-458-5199, Public Library at Tellico Village.

## TVB CORNER

Charter/Spectrum subscribers You can also watch TVB programming on Channel 193 on your Television. TVB exists because of the dedication of our volunteer staff. We want to continue to improve both the content and the quality of our programming. If you have an interest in learning how you can be part of one of the most creative teams in Tellico Village, contact [keith@maxapooch.com](mailto:keith@maxapooch.com).

**Meet the POA Candidates:** The most important election for Tellico Villagers this autumn is the POA board election. Why? Your POA board has direct impact on the roads you drive on, the water you drink, the infrastructure and amenities that make Tellico Village the wonderful place that it is. Make sure you know who is running and for what they stand. Watch the recent HOA Town Hall Meeting that provided a form for this year's three candidates to speak. <https://vimeo.com/294919438>

**Shops of Christmas and Ladies Luncheons:** Join Ellen Frohriep and Karen Sue Keith as they discuss the monthly Ladies Luncheons, and then change hats and provide viewers a peek at the Shops of Christmas which is coming this November. Ellen and Sue provide information about the upcoming Shops of Christmas as well as what occurs at the monthly luncheons. Ladies don't miss this program! <https://vimeo.com/294839027>

**POA UPDATE:** POA Board President Bruce Johnson discusses what happened at the last POA board meeting including: HOA dues increase Results of Long-Range Planning Committee survey, Golf Tournament fund raiser for library and more. <https://vimeo.com/294375049>

**HOA Highlights an Happenings with Annette Schmidt:** In this month's Highlights and Happenings Annette discusses how HOA social programs are developed, the kinds of activities and more. She also shares information about the HOA welcome orientation, how it differs from the POA 101, and if it is just for new villagers. Guests include Diane Delgouffre VP Social, and Susan Kimball Welcome Orientation Chair. <https://vimeo.com/294164073>

General Meetings are 9 a.m. the 4th Tuesday of the month in the large conference room at the POA offices. TVB is Tellico Village Broadcasting for more than 25 years. Watch us, we're here for you!

# UNITED WAY CAMPAIGN OFF AND RUNNING

Thanks to great weather and a sizeable crowd, the 4th annual Street/Business Fair launched the 2018 UW Campaign in the village to a great start. Village Square in and around the Welcome Center was populated with tents, tables, and chairs. A large grill populated by village businesses, partner agencies, and volunteers prepared and served the hot dogs, cookies, chips and water. And of course, most importantly, the area immediately around the Center itself was populated by 43 vehicles from the Village Corvette, Vintage/Classic Car, and Motorcycle Clubs, all on display for viewing by visitors and competing for most popular vehicle in each class.

After tallying the donations collected for United Way at the rate of \$1/vote the following vehicles were judged most popular in each class:

- Corvette – a 2008 Corvette owned by Hobie Horchler;
- Classic/Vintage – a 1957 Ford Thunderbird owned by Ted Newton;
- Motorcycle – a Yamaha X5650 owned by Roy Moore.

Each winner received a \$25 gift certificate at a local restaurant. The total amount raised through votes was \$240. Thanks to all the vehicle owners and voters who participated.

Another feature of the Fair was an opportunity for residents to learn more about the partner agencies of United Way; these are the agencies who, after a vigorous vetting process, receive funds from UW. The following partners participated and had information tables for residents to visit:

- Good Samaritan Center
- Loudon County Senior Center and Office on Aging
- Tellico Village Volunteer Fire Department
- CASA of the 9th Judicial District
- Boys and Girls Club of Loudon County
- East Tennessee Epilepsy Foundation
- Project Lifesaver
- Senior Citizens Home Assistance Service
- Loudon County Health Improvement Council

In addition to serving residents of the county at large, a number also have Tellico Village residents as clients.

The newest feature of the Fair was the inclusion of business sponsors who serve the community. The following participated:

- Southeast Bank
- Flexx Fitness
- Caribbean Canines
- American Commissary
- Summit Medical Group Tellico Village
- Gallaher Surgical
- Plemmons Legal and Title
- Premiers Consignment

In addition to their physical presence, each of these firms became a sponsor by making a \$300 donation to United Way. These funds gave the village campaign a significant jump start towards reaching the \$100,000 goal established for the 2018 drive.

Residents will be able to make their donations shortly when donation packets are mailed within the next 10 days. Each household will receive one which contains detailed information on the 32 partner agencies as well as the necessary forms to complete and mail along with their donation made out to United Way Loudon County. Remember, your donation is helping improve the quality of life for your neighbors in the community who are not as fortunate as most of us who reside in Tellico Village.

THANKS FOR YOUR SUPPORT

## TV LIONS INSTALL A NEW COLLECTION

In order to facilitate the process of collecting used eyeglasses, pill containers and used hearing aids and make it more convenient for donors, the TV Lions have purchased and installed a new collection facility for these items. The new collection station (pictured below) is located at the rear of the Welcome Center in what was formerly the drive thru lanes for the bank. The station can be accessed by going around the right side of the center (as you face it; the second photo shows the lane of entry); you then simply pull up to the station and drop your items into the large post-office style box.

The items can be dropped into the container without leaving your vehicle. As indicated above, three items can be placed in the container. They are used eyeglasses which are collected and sent to a Lions Recycling Center in Roanoke, VA, where they are refurbished, as necessary, classified as to prescription and then sent overseas, primarily to third world countries where they are given to those needing them, free of charge.

Pill containers can also be placed in the box. The acceptable type container is as pictured below. It is critical that the labels be removed from them. This can best be done by soaking the container in water for a couple of hours; the labels come off quite easily after the soaking. An alternative is to purchase Goo-Gone, which is designed specifically for removing labels and the residual glue on items such as these containers. The collected containers are taken by the Lions to an NGO located in Columbus, OH, from where they are shipped, again, to primarily third world countries. They are used by physicians and drug dispensers in these countries to eliminate loss and damage to pills that occurs when the patients simply carry their medications in their hands or pockets.

The third item that can be placed in the container are used hearing aids. They are sent to the Hearing and Speech Foundation in Maryville, TN, where they are

refurbished and given to indigent residents of Loudon County.

How successful has the collection effort been in the past? In the last Lions business year, 1598 pairs of used eyeglasses were sent to Roanoke; 5640 pill containers to Columbus and about 40 pairs of used hearing aids to Maryville. Hopefully, with the convenience of the new collection station these figures will increase during the current business year.

The success of this program as with all other TV Lions service efforts are only possible with the support of TV residents. An example of this support is the recently completed Oktoberfest. Over 600 residents attended making this both a social as well as financial success.

Why is something like this important? The profits from this event, estimated at about \$4,000, enable financial support to a number of service efforts. For example, in a recent month, the Lions Health Fair vision tested 32 individuals at the Good Samaritan Center in Lenoir City. Of those, 25 needed glasses; all 25 were eligible for free glasses which were provided to them. The cost to the Lions club in that one month alone was \$3,200. If another recent donation, \$2,000 to the TV Library is added, more than the entire profit from the Oktoberfest was used in just one month. It is for reasons such as this that community support to Lions fund-raisers is so critical. Again, the Lions thank you for your support and hope it continues well into the future.

# LONG RANGE STRATEGIC PLAN UPDATE

Over 40% of Tellico Village property owners completed the Long-Range Strategic Plan (LRSP) Questionnaire. This level of participation is unprecedented and the Long-Range Planning Advisory Committee (LRPAC) wants to thank all you who took the time to help “Shape Our Future”. This input will be an important element in the committee’s final recommendations to the POA. The final LRSP will include other sources of information including data analysis and forecasting, benchmarking other active adult communities, focus groups, and much more. We are still analyzing the results which include reviewing over 1,900 comments. As promised, one of the basic tenets of the LRPAC is communication and transparency. Therefore, the LRPAC will now share some partial and preliminary results.

## Vision

- 61% of respondents chose the following vision statement: Maintain what we have, adding amenities only when needed and justified. Assessments and fees will be raised only enough to pay for infrastructure maintenance and justified amenities.
- 33% of respondents chose the following vision statement: Tellico Village will set the standard for active adult communities by continuously improving our community and by adapting to our property owners' changing needs. Assessments and fees will be increased to achieve a best in class community with a high-quality lifestyle but remain competitive and fiscally stable.
- 5% of respondents chose the following vision statement: Maintain the Village as it is without adding additional amenities or expanding existing facilities. Assessments and fees will only be increased for existing infrastructure maintenance and inflation.
- The “Vision” results were similar across age and residency bands.
- 51% of respondents want to keep TV primarily as a retirement community and 38% supported encouraging working adults and families to move into TV.

## Demographics

- 85% of respondents were 60-79 years of age; 9% were younger than 59; 6% were older than 80.
- 38% of households had lived in the Village less than 5 years; 21% 5-10; 33% 11-20; 9% 20+ years.

## Top Priorities

- Village finances, aesthetics and environment, growth, recreational amenities, and property owners’ vision for the future of the Village were chosen as the 5 top priorities.
- Finance was the number 1 priority issue.
- 84% of respondents are satisfied with TV’s aesthetics but many comments suggested concern for the future. Concerns included maintaining our natural environment and enforcement of Village rules.
- Our restaurants, recreational facilities, waterfront, and golf were all chosen as enhancing the value of TV. Commercial businesses had the lowest percentage of responses to this question.
- Overwhelmingly, our recreational facilities (golf, wellness center, etc.) met or exceeded expectations.

## Growth

- 67% of respondents were very satisfied or satisfied with our current and projected growth, 13% were very dissatisfied or dissatisfied.
- When asked how the POA should approach growth 53% of respondents chose “encourage growth and plan for it” while 38% chose “allow growth to occur passively”

The next step in the development of the Long-Range Strategic Plan will be conducting focus groups. Over 600 Villagers volunteered to participate in the focus groups. These will occur in November so stay tuned. If you have any questions for the LRPAC about the Long-Range Strategic Plan you may submit your questions or comments at: [www.tellicolife.org/news](http://www.tellicolife.org/news)

# TELLICO COMMUNITY FOUNDATION

## LENOIR CITY FAMILY RESOURCE CENTER GETS LATEST TCF GRANT

Susan Fox was pleased when she got the call from the Tellico Community Foundation informing her that the Lenoir City School System was the latest recipient of a grant from the TCF for the “Let’s TALK” early childhood literacy project. Fox is the Director of the Lenoir City Family Resource Center (LCFRC). “This grant will be a tremendous help to us and we are so pleased to be selected,” Fox said.

LCFRC is the school district’s link between the home, school, agencies, and community. Fox leads the core team behind the “Let’s TALK” project that also includes Lenoir City Elementary Principal Don Maloney, preschool lead teacher Melody Hobbs, parent educator Linda Tillery interpreter/translator Mary Gonzalez, and LCFRC Assistant Wendy Stooksbury.

Early Childhood Literacy is one of the recently announced focus areas for the TCF. The Foundation will concentrate its grantmaking on the literacy needs of Loudon and Monroe County communities, including both English and Spanish-speaking populations.

According to Fox, learning begins at birth and the brain develops more in the first five years than at any other time during a person’s life. Deficits in early literacy and math begin well before kindergarten with skill gaps widening along family income lines from as early as 9 months of age and growing exponentially by 24 months.

Principal Maloney further commented, “Research has demonstrated that early literacy and math skills at kindergarten entry predict future academic success. That’s why we are excited about the TCF grant. It will help in a critical area.” TCF’s initial grant will provide \$500 for the purchase of bilingual books for children in the 0-4 age

## TELLICO COMMUNITY PLAYERS

### Players donate \$3,000 plus to Tellico Library flood relief

The Tellico Community Players has donated the net proceeds from its recent series of Wendel Werner concerts to the flood remediation effort at the Tellico Village Public Library. Players President Don Morton presented a check for \$3,183 to Becky Haile, president of the Friends of the Tellico Village Public Library. The library reopened last week after extensive and costly repairs to the library building from September's flooding damage. Considerable work on the building remains to be done, according to Ms. Haile.

Morton said the Tellico Community Players board unanimously voted to approve the donation at its September meeting. "We are proud to be a part of the Tellico Village Community", Morton said. "We know the library shares our interest in linking with the people of this area in many ways." Said Haile, "We are only back in our library building now because of the generous donations of the public and organizations like the Players. We are truly humbled to be the recipient of this donation. Our heartfelt thanks to all of the Players and their supporters."

Left-right: Becky Haile, president, Friends of the Tellico Village Library; Don Morton, president, Tellico Community Players; Jim Davis, Players treasurer and Carolyn Page, incoming Friends president.

## FALL FEST

Fall Fest is scheduled for Thursday, October 18 at the Community Church at Tellico Village from 11am-2pm. The event will be held in the back parking lot. All groups, clubs, businesses, crafters and organizations are encouraged to have a booth at this festival. Booths are free and the first 20 registrations receive a table and 2 chairs. After that, you will be responsible for bringing your own table. Canopies are strongly suggested but not required. You are welcome to use your space to hand out flyers, sell tickets to your events, or hand out goodies. Food trucks will be on-site, as well as craft vendors.

There will also be 3 flavors of icecream to choose from. Jennanigans Food Cart and Crave Burgers Food Truck will be selling tasty burgers, hot dogs, and spaghetti sandwiches. There are still a few tables available, so call and reserve yours today. This is the perfect opportunity to showcase your group or organization **for FREE.**

**COOKING UP CULTURE: How Cookbooks Shape and Maintain Identities throughout History. October 26, 1:00 – 3:00, Chota Rec Center Room B**

She was so popular last year with her history of the sixteenth and seventeenth centuries through an exploration of witches that the participants last year invited her back! So here she is again with another intriguing topic designed to capture your curiosity. Dr. Nancy Locklin –Sofer is a Professor of History at Maryville College. We have learned that her teaching approach is veeeerrrrrrrryyy creative and enjoyable. This course will use cookbooks to explore a wide range of historical cultures. Cookbooks are an amazing source for understanding the family home, the economy, and even the political structures of a society. Stops on the tour through historical cuisines will include ancient Babylon, ancient Rome, Medieval Europe, and Revolutionary America. MEN – don't be intimidated. This is not a home economics course. Truly for the history buff. You never had a history class like this one before! There is a \$5 tuition for this session payable at the class so that we may give Dr. Locklin Sofer a well-deserved honorarium. BUT those who come dressed in their favorite apron, chef's hat or bring an old cookbook will be admitted tuition free!

## TELICO VILLAGE HIKING CLUB

WEDNESDAY, OCTOBER 24, 2018

Depart at 7:00 a.m. from Chota Center

NOTE CHANGE OF TIME

MT. LECONTE via BOULEVARD AND ALUM CAVE TRAILS (shuttle)

Distance: 13.1 miles

Rating: Difficult

Driving Time: 2 hours

Elevation gain: Approx. 1700 feet

Leader: Ken VanSwearingen 865-201-0247 ken.van918@gmail.com

The 8.1-mile ascent will start on the Appalachian Trail from Newfound Gap. The starting elevation is 5000 feet and we will ascend about 1200 feet in the 2.7 miles to the junction with the Boulevard Trail at Mt. Ambler. Leaving the AT for the Boulevard Trail we will descend about 500 feet in the first mile. In the next 3 miles we will gradually climb back 300 feet to an elevation of 6000 feet. The last 1.3 miles will have us climbing about 700 feet to the Lodge at Mt. LeConte. There will be very nice vistas to see during the hike on the A.T. and Boulevard.

On the 5.0-mile hike down the Alum Cave trail, we will see some of the most spectacular scenery in the park. This trail is steep and there are numerous places where the park has installed cabling to hold onto for safety purposes. The views are wonderful!! There are two major distinguishing features on this trail. The first that we will come to is Alum Cave Bluffs, which is a little more than half way to the bottom. Leaving the cave, we will come to Inspiration Point where we will have wonderful views of the valley on our way to Arch Rock, the other major feature on the trail.

Hiking boots and hiking sticks are recommended.

Driving directions will be provided the morning of the hike.

Bring water and a trail lunch.

Carpooling is recommended, passengers are asked to contribute \$6 to the driver to help cover gas, etc.

Since 2006, multi-award winning and multi-Dove Award nominated recording artist Tribute Quartet has become one of the country's most dynamic, beloved and sought after male quartets in all of gospel music. Gary Casto, Josh Singletary, Riley Harrison Clark, and Anthony Davis have proven to possess a combination of musical talent, warm and engaging personalities, and a focus that has kept them on the path to continued success since their inception.

In an ever-changing musical climate, Tribute has remained steadfast in their goal to make music that is both timely and relevant to the current musical scene and their fan base while propelling their mission to share the Hope of the Gospel. With a career that has already spanned the U.S., as well as several foreign countries, Tribute continues to shine a Light into a world in need of truth, hope, love and healing.

With several awards and number 1 songs to their credit, Tribute's music continues to inspire and encourage generations of believers. With their passion for this music and the message it brings, this team is dedicated to a quality presentation of communication through the art of gospel quartet music.

Fans, peers, and industry insiders agree Tribute brings a breath of fresh air to Gospel Music.

## PET OF THE WEEK:

\*\*\*Special Cat Person/Adopter Wanted for 2 GREAT Indoor cats - Hogan and Sneakers\*\*\*

Hogan and Sneakers cannot be separated, as Sneakers is Hogan's comfort/service cat. Hogan was a feral cat and now he isn't. Prefer an adopter with feral cat experience. Patience and Kindness is what Hogan is used to now and needs in his adoptive home. No young children (they move too fast) and no other pets please.

Hogan is a Russian Blue Mix less than 2 years old. He can be found most often, hanging out on a cat tree in front of a window, pumping his paw/fist and saying "I made it! I am safe, healthy, fed, I have a clean litter box and I am loved." His meow is more of a chirping/trilling sound than an actual meow. So, don't be alarmed when you hear him...he's probably spotted a bird outside or a leaf moving.

He has been transformed into a sweet, lovable guy. One day HE decided to change. He knows his name and now loves to be scratched and pet by his foster mom. A short time after his transformation, another foster, a kitten named Buttercup a/k/a Sneakers, came into his life. Sneakers is a 6-month-old gray ticked-striped tabby with 4 white paws. She is a very lovable, purring (loud), face-licking, lap cat. In a very short time, by imitation, Hogan has learned to "cat" from Sneakers. He loves to play and wrestle with her, he has learned that a lap is a great place to sit, he purrs when being pet, and he winds his body around human legs at feeding time. He has learned that the bed is not just a place to hide but also a place to get comfy and take a nap.

He is still a bit fearful of strangers, vacuum cleaners and lawn mowers and will hide when someone new comes into the house....and yes, he may always do this. His temporary "hiding spot" is under the covers on the bed.

Hogan and Sneakers have perfect litter box manners. They are both altered, combo tested Negative, up-to-date on vaccinations/Revolution flea (and heartworm) preventive, and microchipped. An appointment will need to be arranged with the foster home for a meet & greet. Hogan may not come out to meet you, so you might be adopting 1 invisible (temporary) cat and 1 not so invisible kitten. Please call the shelter at 423-442-1015. Tuesday-Friday from 11-4:30 and Saturdays from 11-2. <https://www.monroecountyfriendsofanimals.org>

Shelter Statistics for last week: Intakes-53; Shelter Adoptions-8; Transferred to Rescue-11; and 6 dogs were returned their very grateful owners.

Shelter Needs: Pedigree dog and puppy canned and dry food. Friskies canned pate flavors, Purina One dry cat and kitten food. Donations vial PayPal can be made from our website [www.monroecountyfriendsofanimals.org](http://www.monroecountyfriendsofanimals.org) or checks mailed to MCFA, PO Box 106, Vonore, TN 37885. All funds are used for animal care including veterinarian fees, antibiotics, testing, vaccinations, flea and heartworm control, cat litter and sanitary litter
