POA WEBSITE UPDATE

For the last 14 years the POA website has provided an invaluable service to us as a medium for communication and connection between property owners and the POA. However, the site has ran its useful life and will be replaced. Over the past couple months, the POA has been working with an outside contractor to create a new more user and mobile friendly site that will affectively replace the current POA website.

One of the main reasons for the switch is ease of site management. The current site is managed through an archaic website which makes it very difficult to update and maintain. It isn't surprising that this has become an issue as technology advances daily, and because of this, we must continuously improve and update so that we can continue to successfully accommodate and communicate with you the property owners.

Another reason is the current website is not user friendly, and accessibility for users is a big driving factor for this switch. Today more and more people access websites, such as ours, through mobile devices like phones and tablets. We aim to make the new site much more responsive and mobile user friendly.

Bass, Forensic Anthropologist, Bestselling Author (fiction and non-fiction that centers around forensics and bodies), and creator of "The Body Farm". The University of Tennessee Professor Emeritus Dr. Bass is widely regarded as a foremost expert in this field. He has many experiences to share, forty-eight years and 700 cases, although he does acknowledge not all have been solved, but even that is a lesson learned. Maybe as many as 30-40 remain unsolved and pose the questions: what have I missed and what can I do better?

There is no charge for this presentation. Information: 865-458-5199, Public Library at Tellico Village.

HIKE TURTLETOWN FALLS CREEK

NO NEED TO SIGN UP TO COME ON THE HIKE, JUST SHOW UP!

Date: Monday, November 12, 2018

Destination: Turtletown Falls Creek Trail

Distance: 4-mile loop

Elevation Change: 500 feet

Rating: Moderate

Time: 8:00 AM

Location: Car-pooling from Chota Center parking lot across from the Village gas station.

Drive Time/Distance: Approximately 90 minutes, 60 miles

Hike Leaders: Cindy Towery & Jim White – Cindy.towery@yahoo.com

Hike Description:

Join us for an enjoyable 4-mile loop hike in the Cherokee National Forest. This trail follows the river with a beautiful water cascade at the end of the trail. There are some short up and down segments under mostly shaded forest canopy. There is one segment of moderate steepness along the first half of the trail and when returning from the falls.

Driving directions:

Leave parking lot & turn right at light onto Hwy 444/Tellico Parkway. Turn left off Hwy 444 onto Hwy 72 South. In 6 miles, turn right onto Hwy 411. Stay on Hwy 411 for about 7.5 miles until you see the exit for Hwy 68 South (Tellico Plains/Sweetwater). Take the Hwy 68 South exit toward Tellico Plains. Make a left onto Hwy 68 South toward Tellico Plains. Continue on 68 South. Plan on a restroom break at the Hardees or Shell Gas Station in Tellico Plains. After break, continue on Hwy 68 South for about 20 miles to Dugan Rd. Turn right onto Dugan Rd. In 0.4 miles, stay to the right to Duggan Rd. In 0.2 miles, make a right onto Farner (Old Farner) Rd. Go 0.5 mile and turn right about 75 yards after you see a brown Turtletown Creek Falls sign. It will be a gravel road & opposite the gravel road is a light blue siding house. This gravel road, FS1166, is easily missed. If you come across a cemetery on the right, you have gone too far. Go 1.5 miles on Forest Service 1166 to the trailhead.

NOTE: Near the trailhead is a grated culvert that will probably have 6-8 inches of flowing water. Most cars should cross easily (SUVs & vehicles with good ground clearance).

Bring water & a trail lunch. We will eat at the trail. Hiking boots & poles are recommended. We will be crossing a few small streams. Bug spray is also recommended. There are no restrooms near the trailhead. Restrooms are available at Hardees or Shell Gas Station in Tellico Plains.

In the event of a situation requiring medical intervention during a hike, we suggest that each participant wear their Name Tag & bring a Photo ID (generally driver's license) & Medical Information cards (Health Insurance Card or Medicare + supplemental Health Insurance (cards)

Cost: Passengers are asked to contribute \$6 to the driver to help cover gas

PET OF THE WEEK

Betsey is a medium size brindle and white terrier/Plott Hound mix who was picked up wandering the streets in Tellico Plains. Since she is well behaved and friendly with people, we believe she had an owner at some point, although no one has claimed her. She is a gentle dog and we believe she will do well with children of any age. Betsey is healthy, loves to walk on a leash (and with the glorious days of Fall upon us, this would be a great time for bonding), does not bark and has a very calm demeanor. She is probably between 3-4 years old. Betsey has been at the shelter since late May and deserves to find her forever family soon.

Please take the opportunity to meet Betsey and the other animals at the Monroe County Animal Shelter located at 170 Kefauver Lane in Madisonville (behind Wal-Mart). It is open Tuesday-Friday from 11-4:30 and Saturdays from 11-2. While you're there please remember their true personality may not show through immediately in the shelter environment. Their kennel is now their "safe place" and some struggle a bit when removed from it. That, by no means does NOT mean they aren't sweet, loving dogs. It means they are uncomfortable or scared. Take the time to meet each dog. Pet them while they are still in their kennel and let them get used to you for a few moments before you take him/her for a walk around the shelter one-on-one. Once you get them home and they feel secure all will be well.

All animals adopted are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped (with registration).

Would you consider becoming a foster for puppies, kittens and adult dogs and cats? Some just need a break from shelter life, some are awaiting their turn on a rescue transport, and some just need some love. If you feel that you cannot adopt at this time, think about a short- or long-term foster situation. Call the shelter to find out more information. It's a rewarding experience for everyone involved.

Shelter Statistics for last week: Intakes- 61; Shelter Adoptions- 9; Transferred to Rescue- 1 and 1 dog (or cat) was returned to their owner.

Now that the season has changed for sure, are you in need of some Fall clothing? Are you getting ready for winter? The Monroe County Friends of Animals Thrift Store has tons of new clothing and household goods waiting for you! New merchandise arrives daily and is priced to move. Come see us at our new location, 3949 Highway 411, Madisonville across from Kentucky Fried Chicken. Store hours are 10 AM- 4PM Wednesday through Saturday. 423-420-3423
