## LIBRARY CORNER

**Wednesday, November 14, 2018**, The Annual Meeting for the Friends of The Public Library at Tellico Village will be held at 7 p.m. in the Christian Life Center of the Community Church of Tellico Village. All are welcome!

The evening will include library updates and the election of officers by members of the Friends.

You won't want to miss the Main Event of the evening - the program presented by Dr. William M. Bass, Forensic Anthropologist, Bestselling Author (fiction and non-fiction that centers around forensics and bodies), and creator of "The Body Farm". The University of Tennessee Professor Emeritus Dr. Bass is widely regarded as a foremost expert in this field. He has many experiences to share, from forty-eight years of work, and 700 cases, although he does acknowledge not all have been solved, but even that is a lesson learned. Maybe as many as 30-40 remain unsolved and pose the questions: what have I missed and what can I do better?

There is no charge for this presentation. Information: 865-458-5199, Public Library at Tellico Village.

You can find all ten of those stories just by following this link. <https://vimeo.com/manage/videos/search/the%20veteran%20next%20door>

Top pick from one year ago. This program showcasing what there is to do in Tellico Village for New Villagers was a hit. Many Villagers emailed this link <https://vimeo.com/233009741> to neighbors from back home, friends and relatives back home when asked what is there to do in and around Tellico Village?

Creative power is always appreciated at TVB. TVB runs on volunteer power. The roles our volunteers play is varied depending on their skills, and frankly what it is they want to do. People with organizational, writing, computer, marketing, communication, technical, camera, on-camera talent interests are all welcome. Some of our staff joined us because they enjoy recording home videos and saw TVB as an opportunity to learn how to record better videos. Others had program ideas and now produce. Some are active with other organizations such as HOA and work as liaisons to share highlights and happenings of their groups. Yet others believe TVB is a unique asset of Tellico Village that is the only broadcasting facility that is dedicated to providing Tellico Villagers news and information.

Act now and see TVB Volunteers in action! <https://vimeo.com/271752052> Put TVB on your bucket list of things to do in 2019. Questions? Contact Station Manager Keith Sanderson at [keith@maxapooch.com](mailto:keith@maxapooch.com) or call him at 847-452-1891.

## TOWN HALL RECAP

Last night the Tellico Village POA hosted a Townhall meeting at the Tellico Village Community church. Hundreds of villagers were in attendance as Board President, Bruce Johnson, Chuck James, a member of the Toqua Clubhouse committee, and Parker Owen, the POA CFO, gave presentations on the two proposed projects for the Kahite Annex replacement as well as the Toqua Clubhouse replacement. They covered proposed bids and plans in their presentations. Everyone in attendance expressed support for the projects. The event was recorded and the video as well as the PowerPoint Slides used will be posted to the POA website.

## FAC MEETING AND BUDGET REVIEW 11/9

### FAC Meeting 11/9 Review:

The Minutes from the previous meeting were approved unanimously. This was followed by the CFO's report on current activities. Parker Owen presented and updated the committee on the 2019 and 2020-2024 Five Year Plan. He also reviewed the actual budget vs. the projected budget to date. Housing starts and transfers are higher than budgeted creating more revenue in this area than budgeted. Year to date we are slightly under budget in total expenses, however underruns are set to catch up to us this month. Public Works overrun is due to maintenance on sewage and water lines. This trend will be reflected in the 2019 budget.

Current Village capital projects are a new Boiler-HVAC for the yacht club that cost roughly \$11,000 as well as a new Hot Water heater for the men's locker room at the wellness center that cost roughly, \$7, 975.00. These two projects were granted approval from the General Manager and appropriate department heads.

### Budget Review:

Members of the FAC questioned the proposed price reduction on water and sewer connection fees from their other proposed price increase. The original proposal was set at \$1200 for water and \$2000 for sewage. The current proposed price is set at \$800 for water connection and \$1200 for sewage.

The point was made that this reduction was proposed to keep the Village competitive with other local competitors in the market.

## UNITED WAY CAMPAIGN UPDATE

The 2018 campaign is off and running and contributions are starting to flow into the treasurer. Thus far, about ten days after the contribution information was mailed to village residents, we are approaching 1/3 of the goal of \$100,000 with a collected total to date of \$31,732. Your donations assist in promoting health, education and, in some cases, provide basic needs and financial stability to residents of the county less fortunate. So, if you have not already done so please mail your check to Judy Gibbons, 216 Talah Way, Loudon, TN 37774, the Village Campaign Treasurer. EVERY DOLLAR COUNTS.

## UNITED WAY HELPS THOSE WHO HELP THE ABUSED

Unfortunately, many of our fellow citizens, primarily women and children, are subjected to physical, sexual and mental abuse at the hands of coworkers, spouses and family members. Fortunately, for the victims of this abuse there are four agencies in Loudon County that are partnered with United Way that help mitigate the effects this abuse has on the victims. The four agencies are Iva's Place, the Kids First Child Advocacy Center (CAC), The Sexual Assault Center of East Tennessee, and Court Appointed Special Advocates (CASA) of the Ninth Circuit Court. Each of these offers support to the victims in unique ways.

Iva's Place offers a safe-haven physical shelter for women and children who are subjected to abuse by a partner or family member. These shelters, either apartments or rooms, offer a safe, secure haven where victims can, without fear of further abuse, get their lives back together and eventually move back into the community. While sheltered, they are provided instruction in life skills such as budgeting, nutrition, and job searching.

The Kids First Child Advocacy Center (CAC) provides a multidisciplinary advocacy team to serve severely abused children in the 9th Judicial District. It provides school resource libraries used by teachers, counselors and social workers as they work with students and their caregivers to mitigate the effect of various forms of abuse on the learning process.

The Sexual Assault Center of east Tennessee, a subsidiary activity of the Helen Ross McNabb Center, provides sexual assault nurse examiners to assist victims in the immediate aftermath of rape; they also provide advocacy services, therapy to victims and education and outreach in the community.

Court Appointed Special Advocate (CASA) provides volunteers that are appointed by the Juvenile Judge to serve the best interest of children who, by virtue of their home environments, are at risk for or have been subjected to abuse and neglect and are being dealt with in the Juvenile Court system family courts. The CASA volunteer investigates and monitors the case providing judiciary reports and speaking at court hearings on behalf of the child, as necessary. A number of Tellico Village residents are trained CASA volunteers.

United Way provides funding to each of these agencies that permits them to offer a full-range of necessary services, some of which would be curtailed were it not for the funds provided by YOU and distributed through the United Way.

It is a fact that the support that is provided by United Way to agencies such as these four is so essential to the quality of life of our fellow citizens who are dealing with life threatening problems on an every-day basis. Your support goes directly toward helping these victims.

## TELLICO COMMUNITY PLAYERS

Tickets for the Tellico Community Players' production of "Parfumerie" will go on sale Monday, November 5th. Tickets can be purchased online at [www.tellicocommunityplayhouse.org](http://www.tellicocommunityplayhouse.org). You can select the date you wish to attend and reserve and print your tickets. The price of admission is \$21. The play dates are December 6th to 8th and 13th to 16th. Show times are 7:30 for all shows except for the Sunday matinee on December 16th that begins at 1:30. Len Willis is directing the play and Tony Licata is the producer. Perry and Rosie Sylvester are sponsoring the play.

"Parfumerie" is a warm gentle comedy that follows the tangled tale of Parfumerie employee George Horvath. Just days before Christmas, George's boss fires him after mistakenly suspecting him to be the lover of his unfaithful wife. Meanwhile, George's own love life goes awry when he discovers that the stranger, he has fallen in love with through a secret correspondence is none other than Amalia Balash, a co-worker with whom he constantly feuds. For the employee of Parfumerie, only the truth can lead to a happy resolution in the old-fashioned, romantic Christmas tale.

The adaptation of the play has inspired several movies. They include "The Shop around the Corner" starring James Stewart and Margaret Sullavan and "You've Got Mail" starring Tom Hanks and Meg Ryan. The play is a richer story than the ones in the movies and has such a rich brew of characterizations.

The characters include:

Mr. Miklos Hammerwschmidt played by Steve Mayberry  
Mr. George Horvath played by Aaron Vanlandingham  
Mr. Sipos played by Joel Bonnan  
Mr. Steven Kadar played by Stephen Drew

Policeman played by Doug Banister  
Shoppers: Lucinda Jobe, Lynn Bloomquist, Janet Hamilton, Geri Denney, Larry Denney, Nancy Dunsmore, Jean Reich

Enjoy the show during the holiday season!

# TOYS FOR TOTS

## **The children of Loudon County need your help!**

This marks the *twenty-second* year for the Loudon County Sheriff's Department and Tellico Village Woodworkers Club's "Toys-for-Tots" program. The program helps put toys under Christmas trees for many disadvantaged children in our local communities.

In 2017, the Woodworkers Club had 14 teams and 70 individuals build over 500 wooden toys and collected an additional 600+ new toys generously donated by Tellico Village residents.

**The Woodworkers Club and Loudon County Sheriff's Office is asking Villagers and County residents to help the children of Loudon County by donating *new, store-bought* toys.**

**Drop-off boxes are available at: the**

- Tellico Village Wellness Center
- Library
- Chota Recreation Center
- Welcome Center
- Mashburn Builders Office by Sloans

**Pre-addressed envelopes are available at each drop-off location for residents who would like to help older children by mailing a check directly to the Loudon County's Sheriff's Office. Cash donations to "Toys-for-Tots" help the Sheriff's office meet special gift needs, particularly for older children. Our residents came through generously last year with donations of over \$2,000.**

Toy distribution is managed by the Loudon County Sheriff's office, led by Sheriff Tim Guider. Debbie Hines, his assistant, is the Toys-for-Tots Program Coordinator.

Since the programs' inception, club members have delivered to the County Sheriff's Office over 10,000 toys. These toys have ranged from wooden trucks, cars and airplanes, to elaborate jewelry boxes, wooden puzzles, doll cribs, music boxes, children's furniture, and circus trains, toddler pull toys, rocking horses, artist boxes, easels and many more hand crafted wooden toys.

Woodworker Club members have transformed their basements and garages into Santa workshops, creating wooden toys to make this a special Christmas for disadvantaged children in our area. Please help by donating a new, store-bought toy, or making a cash donation.

**Presentation of all the wooden and donated toys to the Sheriff's Office will be made Thursday, December 6th at 7:00 PM at the Tellico Village Community Church. Everyone is welcome and encouraged to come and see the wide variety of toys that the Tellico Village Woodworkers have made. Toys will be on display starting at 5:00 PM.**

## PET OF THE WEEK: BLACKIE

Blackie is a medium size Labrador mix, primarily black with some brindle spots. He was surrendered by his owner. He will do best as an only dog as he has a strong personality. He gets along fine with people and is eager to please. He needs a bit of training to improve his manners as he is walking on the leash. He is an active 1 year old with a lot of puppy energy. Blackie would do best in a home with adults due to his size and energy level.

Please take the opportunity to meet Blackie and the other animals at the Monroe County Animal Shelter located at 170 Kefauver Lane in Madisonville (behind Wal-Mart). It is open Tuesday-Friday from 11-4:30 and Saturdays from 11-2. While you're there please remember their true personality may not show through immediately in the shelter environment. Their kennel is now their "safe place" and some struggle a bit when removed from it. That, by no means does NOT mean they aren't sweet, loving dogs. It means they are uncomfortable or scared. Take the time to meet each dog. Pet them while they are still in their kennel and let them get used to you for a few moments before you take him/her for a walk around the shelter one-on-one. Once you get them home and they feel secure all will be well.

All animals adopted are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped (with registration). Would you consider becoming a foster for puppies, kittens and adult dogs and cats? Some just need a break from shelter life, some are awaiting their turn on a rescue transport, and some just need some love. If you feel that you cannot adopt at this time, think about a short- or long-term foster situation. Call the shelter to find out more information. It's a rewarding experience for everyone involved.

Shelter Statistics for last week: Intakes- 28; Transferred to Rescue- 19 and 4 dogs (or cats) were returned to their owner. The Adoption Day at PetSmart was a HUGE success with 24 cats/kittens and 3 dogs adopted! Thanks to all who participated.

Now that the season has changed for sure, are you in need of some Fall clothing? Are you getting ready for winter? The Monroe County Friends of Animals Thrift Store has tons of new clothing and household goods waiting for you! New merchandise arrives daily and is priced to move. Come see us at our new location, 3949 Highway 411, Madisonville across from Kentucky Fried Chicken. Store hours are 10 AM- 4PM Wednesday through Saturday. 423-420-3423
