GROUNDBREAKING CEREMONIES

The ground is officially broken! On the morning of February 13th, we held ceremonies to celebrate the beginning of construction on our new Toqua clubhouse and Kahite community center. The rain and clouds were replaced by sunshine, and we are thrilled to report a fantastic turnout; hundreds of Villagers arrived eager to commemorate this special, long-awaited occasion.

*You can't always get what you want
But if you try sometimes you might find
You get what you need*
-Rolling Stones

This was the mantra POA Board President Bruce Johnson repeated during his ceremonious speeches at both Toqua and Kahite. We have wanted a new clubhouse for 12 years, and we've wanted to replace the temporary Kahite annex with a permanent facility for nearly 10 years. After a decade, we finally proved that we not only wanted these facilities, but we needed them in order to keep pace with the remarkable growth we've experienced. We are committed to ensuring Tellico Village continues on a path of growth and progression, while remaining the vibrant, beautiful home we all love and enjoy.

On behalf of the Board of Directors and the Tellico Village Property Owners' Association, thank you to everyone who has played a role in making these

We're excited to announce the Kahite community center is expected to be completed on July 26th, and the expected completion date for the Toqua clubhouse is November 25th.

CONSTRUCTION UPDATES

Toqua: Demolition of the old clubhouse is complete. The pad is ready for grading and footers, but the weather is currently delaying further progress.

Kahite: The pad has been cleared and grading is 80% complete. The rainy weather will bring progress to a standstill after today.

FINANCE COMMITTEE MEETING HIGHLIGHTS

The Finance Advisory Committee met on February 15, 2019.

First, the minutes from January 18, 2019 meeting were approved unanimously.

Report on Current Activities: Parker Owen

- The groundbreaking ceremonies for the Toqua clubhouse and Kahite community center were well attended and well received. Kahite is expected to be completed on July 26th, and Toqua's expected completion date is November 25, 2019.
- The TVPOA Audit committee and the Coulter & Justus, P.C. Audit team met on February 14th to review the engagement letter and auditor communications, and to discuss the purpose and conduct of the audit. Field work will begin within the first two weeks of April, with a final reporting planned for the May Board meeting. During that meeting, it was decided that Steve Schneider will serve as committee chair, Bob Coates as vice-chair, and Rick Blough as secretary.
- Rebid of TVPOA insurance policies is underway. We are asking each of our three agencies, TIS, Scott, and Athens, to shop our coverage among various carriers to determine best recommended value. Insurance on the Toqua clubhouse has been cancelled. Until construction is completed, the building company is carrying insurance on the construction.

Financial Report: Parker Owen

For the month of January, the net revenue is above the budgeted amount, while expenses have fallen below budget. To name a few categories that were discussed, recreation revenue is \$6K above budget thanks to 17 new family memberships, while Dock and RV revenue is \$7K behind due to relinquished docks and delinquent payments. Maintenance expenses are \$45K below budget, but water and sewer expenses have risen \$27K above budget due to the cost of supply. Even with the many variables, the POA's year-to-date budget is in excellent standing.

Master Meter Software Upgrade: This project will update obsolete water meter reading equipment and software. While originally budgeted as a software expense, it was determined that the equipment and software should be treated as one combined project and capitalized.

- Budgeted amount: \$11,000
- Request amount: \$11,500

Because the project will be within 10% of the approved budget and within the General Manager's approval authority, no further approval action is required.

Lastly, the committee elected Linda Bailey as the FAC representative to the February 20th Board meeting.

LIONS EXPAND LIST OF ACCEPTABLE PILL CONTAINERS

Based on feedback from Matthew 26, the Ohio organization that collects and distributes used pill containers worldwide, the list of acceptable containers has been expanded. In addition to the brown, screw-cap containers previously listed, virtually any plastic container used to store medical type products, vitamins, OTC drugs, etc., is now acceptable.

As in the past, the labels and contents must be removed, and the cap or screw lid included. The photo shows examples of three generic types that are accepted, though there are larger- and smaller-sized containers in a variety of colors that are also acceptable.

The Lions continue to accept used eyeglasses and hearing aids. Glasses should not be damaged and not be in cases. Hearing aids can be in cases and can also be donated with batteries. The simplest way to package any of the three items is in plastic grocery store bags.

There are two places in which these donations can be deposited. The first is in the large drive-up container at the rear of the Welcome Center. Access can be gained by driving around the right side to the old bank drive-up area. The deposit container is located on the center island. The other location where donations can be made is at the Gary Stuart Edward Jones office in Chota Center, opposite the TVCC offices. This can only be accessed during business hours, so the Welcome Center location is likely more convenient and is the preferred drop-off point.

The Tellico Village Lions Club appreciates the support from Villagers in this collection operation. Keep up the good work!

TELLICO PLAYERS

Tickets are on sale now for Neil Simon's *The Dinner Party*!

Reserved seats at \$21 for the farce/drama *The Dinner Party* by Neil Simon are on sale on the Tellico Community Players website: www.tellicocommunityplayhouse.org. (Click on tickets to purchase.)

Dates for this first Players performance of 2019 are Thursday, February 21st – Saturday, February 23rd, and Thursday February 28th – Sunday March 3rd. All shows begin at 7:30 p.m., except for the matinee on Sunday, March 3rd, which begins at 1:30 p.m.

In this hilarious story directed by Steve Mayberry, five people are invited to dine at a first-rate restaurant in Paris. They do not know who the other guests will be or why they have been invited. Tossed together in a private dining room, they have a sneaking suspicion that this unorthodox dinner party will forever change their lives. It is eventually revealed that the guests at this dinner were once married and divorced from one another!

Neil Simon, who was married five times, drew upon his own experiences to create the thematic materials for this farce-turned drama.

The cast includes:

Sauni Rinehart as Yvonne Fouchet, Len Willis as Andre Bouville, Sue Aukerman as Mariette Levieux, James Fisher as Claude Pichon, Steve Allen as Albert Donay, and Marlyce-Jean Dezzutti as Gabrielle Buonocelli.

Steve Allen also is producing. Sponsored by Dr. Timothy Gardner, DPM.

Villager Jackie Curtiss is back with another selection of history through her unique style of storytelling. If you've attended a class with Jackie before, you know you are in for a treat. General Scott was one of the youngest generals ever in the War of 1812, led the Trail of Tears, took the US Army to victory in the Mexican-American War, and was still head of the army at the start of the Civil War. Along the way, he also ran for President.

This session will be helpful for anyone who plays a leadership role in any type of organization, whether it's a Tellico Village organization, a community project, a church, or a professional or special interest group of any kind. Here's your chance to learn techniques and gain insights into identifying conflict and guiding others to use conflict in a constructive way.

Dr. Regina Benedict, Criminal Justice Professor at Maryville College, provides an overview of the following: justifications of punishment and how they relate to current practices within adult corrections, incarceration as a gendered experience by comparing male and female inmates and facilities, inmate subcultures and coping during incarceration and the prevalence of drugs and addiction within prisons, and current practices of rehabilitation. Please make this class known to your neighbors, church friends, and those who do any type of ministry or social program with incarcerated people.

TV HIKERS

Honey Creek Loop at Big South Fork

Distance: 5.6 miles **Elevation Gain:** 500 feet

Rating: Difficult **Driving Time:** 2 hours **Leader:** Ken Van Swearingen | 815-245-0247 | ken.vans918@gmail.com

Wednesday, February 20th

Depart at 8:00 a.m. from Lakeside Realty parking lot

It's only a 5.6-mile trail on paper, but the hike is an adventure. I isn't a typical walk through the woods or big elevation gain – yet everything about the primitive feeling Honey Creek Loop hike brings fun, including the many names of the different landmarks along the way. Around each corner lies landmarks such as Echo Rock, Boulder House Falls, or Ice Castle Falls, and an enormous rock house called "The Great Room." There will be large boulders to climb over and some to go through, along with a "lookout tower" to climb, plus multiple creek crossings. Located at the south end of Big South Fork National River and Recreation Area, Honey Creek Loop trail is one of the park's most rugged and challenging trails, but this trail offers a little something for everyone. Although it is only 5.6 miles, hiking time will approach 5 hours due to the beautiful scenery, creek crossings, and boulder climbs. Hiking boots and hiking sticks are recommended. Bring water and a trail lunch. Driving directions will be provided the morning of the hike. Carpooling is recommended; passengers are asked to contribute \$6 to the driver to help cover gas.

Image is from Honey Creek hike, May 2018.

Photos from 2018 hikes are posted in TellicoLife Circle. To view, visit the TV Hikers page at <https://www.tellicolife.org/>.

TV LIONS CHILI / SOUP DINNER

You can't yet hear the sounds of plates rattling, vegetables being sliced, ground beef simmering, or the myriad of other noises that accompany preparations for this event – but you will hear them in the near future. They will be emanating from the Christian Life Center of Tellico Community Church in the wee hours of March 12, 2019.

This dinner is the first of five annual fundraising events presented by the Tellico Village Lions. The proceeds support the many community service activities the Lions carry out each year. The key to the success of this and other events is support from Village residents. That annual support translates into almost \$40,000, every cent of which is returned to the community by efforts of the club's 56 members. These efforts include health fairs at the Good Samaritan Center in Lenoir City and the Good Shepherd Center in Madisonville, vision screening in county schools from nursery and pre-school to grade 12, and cash donations to countless service organizations in the Village, the county, east Tennessee and in a few cases, the nation.

Preparation is overseen by Lion Mario Catani assisted by Lion Larry Stickler preparing the chili, chicken noodle soup and the antipasto by Lion spouse Linda Stickler, Mayfield ice cream served by POA Chair and Lion Bruce Johnson, and bread and beverages served by other Lions and their spouses. In addition to a great menu, the evening provides a great opportunity to socialize with friends and neighbors.

Tickets are currently on sale, priced at \$11 in advance or \$13 at the door. They can be obtained from any Lion, Sloan's Hardware, Village Salon or United Community Bank. If you don't know a Lion or the locations are not convenient, please contact Lion Marcia Higby at 865-458-9356 or marcia42@sbcglobal.net.

CHARITY DINNER AND SILENT AUCTION

Tellico Lake Rotary Club is pleased to announce it will be holding its annual Charity Dinner and Silent Auction on Friday, March 22nd at 6:00 p.m. in the beautiful Fellowship Hall of First Baptist Church of Tellico Village.

The keynote speaker for the evening will be former SEC Commissioner, Roy Kramer. Roy was appointed Commissioner in 1990 and served for 12 years. During his time with the SEC, the conference won 81 national championships – the most ever in a decade by the league. He oversaw the distribution of a then-league record, \$95.7 million to its member institutions for 2001 – 2002. Kramer also negotiated multi-sport national television packages with CBS and ESPN, featuring football and men's and women's basketball through the 2008 – 2009 season. Because of his influence, the Men's and Women's SEC Athlete of the Year Award is presented annually as the Roy F. Kramer Award.

Roy is a dynamic speaker with great stories to share and is well-loved by all who have worked with him. Even in his retirement years, current SEC coaches and athletic directors continue to seek his advice and counsel. This will be a rare opportunity to meet and hear from one of the college sports pioneers who helped elevate the SEC conference to what it is today.

Come be a part of this exciting event where we honor our charities and scholarship winners and hold our famous silent auction. Tickets are \$25 and go on sale February 18th. Tickets must be purchased in advance from any Tellico Lake Rotary Club member, the First Baptist Church office 865-408-0110, or United Community Bank. You may also call John or Sue Everson at 423-884-3369 to reserve your tickets. Please make checks payable to Tellico Lake Rotary Foundation.

PET OF THE WEEK

Buster is an adorable 2-year-old mixed breed dog who weighs about 30 pounds. He has the wiry coat of a terrier, big floppy ears like a corgi, soulful brown Labrador Retriever eyes and a long, constantly wagging tail. He is energetic, friendly with everyone, and not animal aggressive. Buster would do best in a home with older children who match his energy level and can run and play with him. He is looking forward to becoming part of a family.

Come and see Buster and his furry friends at the Monroe County Animal Shelter (MCAS), located at 170 Kefauver Lane in Madisonville (behind Wal-Mart). It is open Tuesday – Friday from 11 a.m. – 4:30 p.m. and Saturdays from 11 a.m. – 2 p.m. The shelter is closed to the public on Sunday and Monday. All animals adopted are spayed or neutered, have age appropriate vaccinations and testing, and are microchipped (with registration). Call 423-442-1015 for more information.

Please remember animals' true personalities may not show through immediately in the shelter environment. Take time to pet them while still in their kennel and let them get used to you for a few moments before taking him/her for a walk.

Would you consider becoming a foster for puppies, kittens or adult dogs and cats? Some just need a break from shelter life, some are awaiting their turn on a rescue transport, and some just need some love. If you feel that you cannot adopt at this time, think about a short- or long-term foster situation. Call the shelter to find out more information. It's a rewarding experience for everyone involved.

MCAS operates a monthly food pantry to help pet families in Monroe County. Our supplies are low, and we are reaching out to the community for help. Any donations of canned or dry food for puppies, kittens, dogs, and cats is needed and will be appreciated. Donations can be dropped off at the shelter during operating hours. (The shelter is closed on Sunday and Monday.) Food City in Vonore also has a donation barrel by the customer service desk/self-check out area. We thank you for your kindness and support.

Have you seen the MCFA Thrift Store at its new location? Stop in at 3949 Highway 411 in Madisonville, across from Kentucky Fried Chicken. Store hours are 10 a.m. – 4 p.m. Wednesday through Saturday. New merchandise arrives daily! Donations are greatly appreciated and are accepted Wednesday – Saturday from 10 a.m. – 3:30 p.m. All proceeds go to helping the homeless animals of Monroe County. Worker volunteers are always in high demand. For up-to-date sale information, like us on Facebook (Thrift Store of MCFA) or call 423-420-3423.
