		<ul style="list-style-type: none"> • Kahite Annex Replacement • Toqua Clubhouse Replacement 		
III.	Other/Member Comments			

Help the POA recognize and reward our employees who go Above and Beyond with superior customer service. Since 2007, members have been able to nominate POA employees by completing a form that is available at various POA facilities, as well as the TVPOA website: www.tellicovillage.org. Residents, employees, and managers serve on the Recognitions and Rewards Committee that reviews nominations on a quarterly basis. Each quarter, all nominated employees will be recognized for outstanding service and up to three employees will be chosen to receive special recognition. Once a year, one employee will be selected from the quarterly winners to receive the annual award.

The Above and Beyond program is designed to encourage superior customer service by recognizing and rewarding deserving employees.

For more information, please contact Mitzi Lane at 865-408-2619 or mlane@tvpoa.org.

Click here for the nomination form:
