- March: 13 events & 360 participants

Finance: Parker Owen

Report on Current Activities

- Toqua and Kahite construction
- Currently re-bidding insurance policies

Financial Report

- Year-to-date revenue is on target; total expenses lower than budgeted
- In order to cleanup title on the 3rd party tax sale lots, we need a quit claim deed.
- 11 lots need to be run through surplus sale in Loudon County before they are deeded back. Also working with Monroe County for their surplus sale.

Water Meter Change Out Program: This project will replace older non-radio read meters with new ones that will provide more accurate measurement and billing of water while keeping labor costs down. 30 meters will be replaced each month (approximately 360 for the year). Requested amount: \$91,800. Approved 6-0.

HA5 Pavement Preservation Program: HA5 is a pavement preservation product that will extend the life of our pavement for 5 years, pushing costly overlays into the future. Requested amount: 907,346. Approved 6-0.

Roads Evaluation Study and Report: This comprehensive evaluation of TVPOA's roads will include an assessment of current condition and development of models and scenarios for planning current and future maintenance and repairs. This project will provide expert guidance on the best way to maintain and preserve our roads, as well as guidance on the optimal timing of such preservation efforts. Requested amount: \$38,441. Work has begun and is expected to take 2 months.

Golf: Jim West/Wells McClure

New Golf Initiatives

- Chip, Putt, Suds, & Strings
- Drive, Chip, & Hike- April 17th (free clinic at 2:30, event at 3, and dinner/trivia to follow)

- Kahite Corporate Partner Program

(for more information on these new programs, please see the Board slides here or the March 19th Tell-E-Gram here.)

Golf Vacation Rounds

- Annual revenue from golf vacation rounds ranges from \$30,000 to \$38,000
- Revenue is guaranteed and unaffected by weather
- GAC February 2019 meeting voted to lift all booking restrictions on golf vacation rounds

Afternoon Unlimited Golf Programs

- Provides residents and non-residents with affordable golf opportunities during non-peak times
- Provides TVPOA with revenue unaffected by weather
- Year-to-date 107 resident packages sold, generating \$53,000
- Non-resident sales anticipated to begin late March/early April
- Through March 13th, total unlimited sales total \$315,133, representing over 97% of the 2019 annual projected sales

Finn Cycle

- 2-wheel scooter provides a fun and fast way to enjoy golf
- Prototype testing: 9 holes were played in less than one hour
- Maximum speed: 16mph

Cultural Practices

- Core aeration removes unwanted organic matter from the upper portion of the rootzone, relieves soil compaction, stimulates root growth, and improves drainage
- USGA recommends affecting minimum 20-25% of the putting green surface area annually
- Tellico Village's cultural practices affect 35-40% of the surface area annually

Managing Bentgrass

- Summer stress period (Memorial Day through Labor Day) is challenging because root systems can begin to decline when soil temperatures exceed 75 degrees
- Preventative measures are vital, including raising mowing heights, frequent spiking, precision hand water management, etc.
- Fans are essential to not only cool the surface, but reduce humidity to make the green less prone to disease and improve evapotranspiration
- Fans can be the difference between life and death of putting surfaces

Public Service: Jeff Gagley

Toqua Clubhouse

- LUB has moved the main power lines overhead to allow work to continue on the clubhouse. They will return at a later date and bore a new conduit.
- Footers have been poured and columns are in progress. They expect to pour the slab by March 29th.

Kahite Community Center

- Electric and plumbing conduits are in place and expect to pour the slab this week.

Dock Statistics

- 25 open slips with the majority at Kahite

Following the Advisory Committee/Liaison reports, the Board discussed the PEC Committee.

The Political Education Committee (PEC) will serve as a liaison to Loudon and Monroe counties, as well as the state. Tellico Village generates a tremendous amount of money for Loudon and Monroe counties and receives little in return. Local officials are hesitant to provide monetary assistance since we are a private community and a 501c4 organization. We feel there are ways they can offer support. The PEC plans to meet with local officials to begin a dialogue on ways to garner this support. The PEC will also inform and educate Villagers on local politics. TVPOA would like all residents to understand our role in the county and become engaged in county politics. The PEC and its charter were approved by the Board 6-0.

Other

A motion was made and seconded to ask the Long-Range Planning Advisory Committee to delay the delivery of their Long-Range Strategic Plan until the POA Recreation Department has completed their 110% Consultant Masterplan Study and the POA Public Works Department has completed their outside consultant evaluation of the Tellico Village Road network. These studies should be completed by July 2019 and are critical to the future plans of Tellico Village and the 2019 Long-Range Strategic Plan. The motion was approved 6-0.

ACC HIGHLIGHTS

The Architectural Control Committee met on Thursday, March 21st. The committee approved the minutes from the March 7th meeting and reviewed four permit applications. Three were approved and one was asked to re-appear at the next meeting. There was a request for an oversized personal vehicle, which will be further discussed at the April 18th workshop meeting.

ROAD SURVEY

Beginning Monday, April 1st, the TVPOA's Public Works Department will be conducting a survey of all the roads in the Village. The roads survey will be used to determine the condition of the roads so that we can make the best choices about what kinds of maintenance is needed to preserve, maintain, and repair the roads at the lowest overall cost now and in the future.

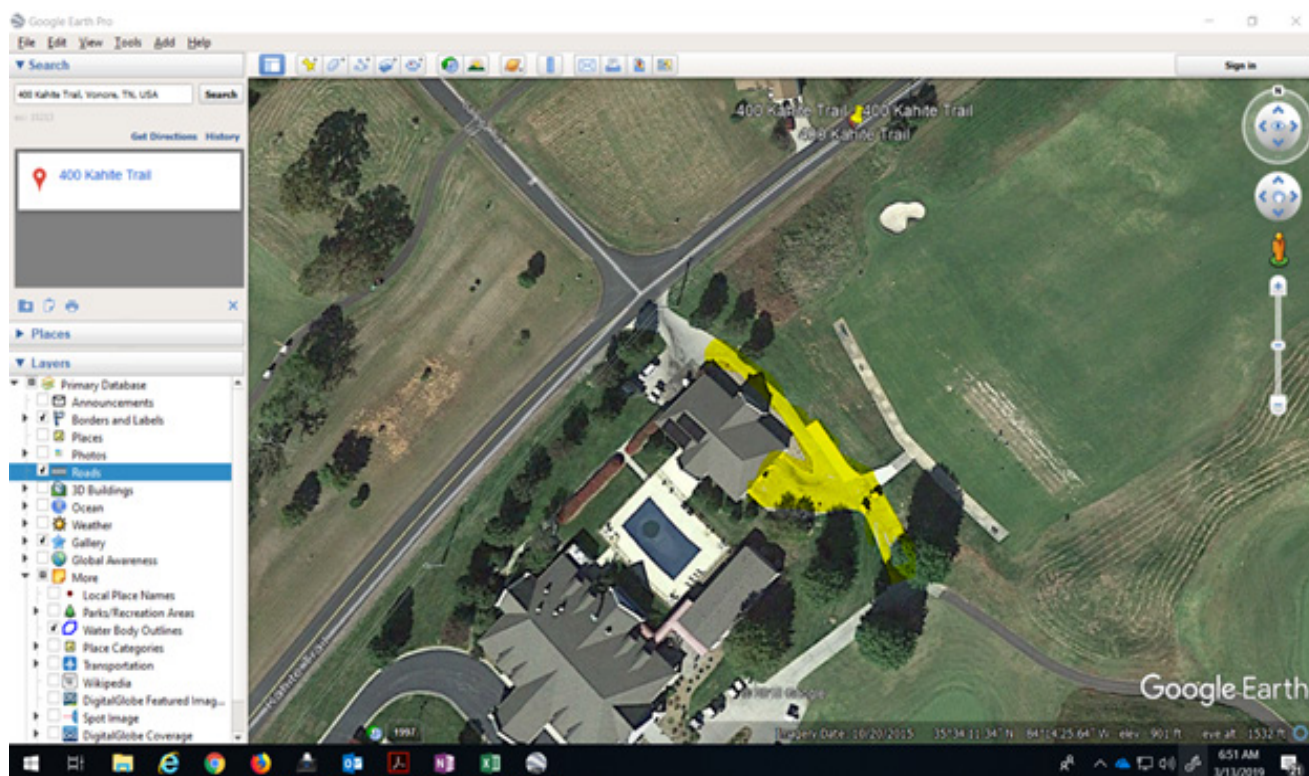

The survey is being performed by S&ME, Inc., who has an office in nearby Louisville, TN. The survey trucks have the S&ME logo and have a flashing amber light on the top. These trucks will be traveling slowly through each neighborhood, stopping periodically to measure and photograph the roads.

Please contact Clayton Taylor at ctaylor@tvpoa.org or 740-1074 with questions or concerns.

KAHITE CART PATH CLOSURE

Kahite's golf cart path has been closed for safety reasons during the ongoing construction of the Kahite Community Center. As highlighted in yellow on the map below, the cart path is blocked entirely, restricting access from both ends. You will not be able to use the cart path to access the driving range or the clubhouse. Instead, please follow the rock path to the driving range and use Kahite Trail through the parking lot to visit the clubhouse. Golf balls for the driving range are available in the Pro Shop.

UPDATE: TOQUA CLUBHOUSE & KAHITE COMMUNITY CENTER

TOQUA: Footers for the building perimeter have been completed and block masons have begun. Mechanical, electrical, and plumbing rough-ins are scheduled toward the end of the week.

KAHITE: They poured the pad Tuesday morning. Lumber will be delivered Wednesday and framers are scheduled to begin Thursday.

Stay up to date with the ongoing construction for both projects! Click [here](#) for the progress at Toqua and click [here](#) to see progress at Kahite.

SMOKY MOUNTAIN SERVICE DOGS

On Thursday, March 24th, a newly trained service pup was presented to a disabled 28-year Army veteran thanks to Smoky Mountain Service Dogs. Charley Jordan was a helicopter pilot out of the 160 Special Ops Aviation Regiment in Fort Campbell and a “night stalker” specializing in nighttime combat operations. During his multiple deployments, Charley was awarded Afghanistan Campaign Medal 5 Stars, Iraq Campaign Medal 2 Stars, Legion of Merit, Distinguished Flying Cross for Heroism, Meritorious Service Medal, Boeing Rescue Award, and 2 Air Medals with Valor device, among many others. He retired in 2017 as a Heavy Assault Special Operations Aviator with the rank of Chief Warrant Officer Four.

Charley’s farm story began when he returned to Tennessee in 2001 and purchased a five-acre property where he established Circle J Ranch. He produces and sells USDA-inspected freezer beef, fresh-cut flowers, and fresh eggs using the Homegrown by Heroes label. Charley is the founder and president of the Tennessee chapter of the Farmer Veteran Coalition and works with several other organizations and educational institutions such as the Tennessee Department of Agriculture and the University of Tennessee. He also serves on the Board for the Tennessee Fruit and Vegetable Association. In what little spare time he has, he enjoys teaching yoga to other disabled veterans along with teaching aeronautical science to his students at Embry-Riddle Aeronautical University.

US Army/Special Forces MSG Dave Brace named Dagger as a puppy after Special Forces Operation Task Force Dagger, which was the first military operation in Afghanistan after 9/11. On this special occasion, Dave ceremoniously passed Dagger’s leash to Charley.

Smoky Mountain Service Dogs is a non-profit organization based in Lenoir City, TN that raises and trains dogs to serve disabled US military veterans at no cost to them. To learn more, make a donation, or volunteer with this organization, visit <http://www.smokymountainservicedogs.org/>.

TELLICO PLAYERS

The Tellico Community Players will hold auditions for its June production of Tennessee Williams’ *The Glass Menagerie*, as follows:

Thursday, March 28th, 3–5 p.m.

Friday, March 29th, 6–8 p.m.

Saturday, March 30th, 2–4 p.m.

All auditions will be held at the Tellico Community Playhouse: 304 Lakeside Plaza, Loudon, TN

A so-called “memory” play, *The Glass Menagerie* was Williams’ first successful play and catapulted him from obscurity to fame. The play won the New York Drama Critics Circle Award in 1945.

The cast includes two men and two women:

Amanda Wingfield, a faded Southern belle, who is trying to raise two children under difficult circumstances.

Tom Wingfield, Amada’s son, who is an aspiring poet and works at a frustrating job in a shoe warehouse to support his family. He also serves as the play’s narrator.

Laura Wingfield, Amanda’s daughter, whose childhood illness has left her crippled with mental fragility and an

inferiority complex. She has a collection of glass figurines, and Laura's separation increases till she is like a piece of her own glass collection, too exquisitely fragile to move from the shelf.

Jim O'Connor, an old high school acquaintance of Tom and Laura who was a popular athlete and actor in high school, but has ended up working as a shipping clerk in the same shoe warehouse as Tom.

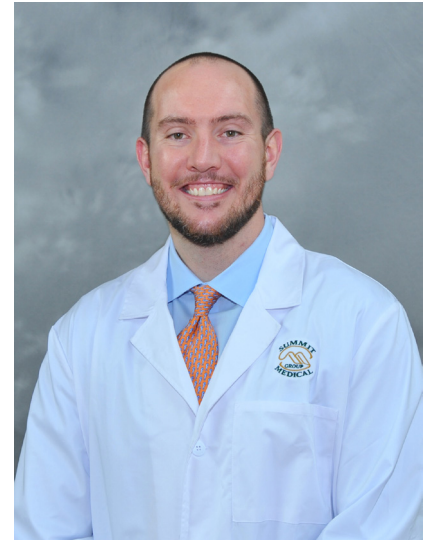

James Fisher is directing. Production dates are Thursday–Saturday, June 13–15 and Thursday–Sunday, June 20–23. For information, visit tellicocommunityplayhouse.org or call Len Willis, Artistic Director, at (423) 519-9807. Copies of the script can be checked out at the Tellico Village Public Library.

SUMMIT MEDICAL GROUP

Summit Medical Group at Tellico excels in overall patient experience, according to patient surveys conducted by SurveyVitals. In 2018, a total of 15 Summit Medical Group locations ranked in the top 10 percent for patient experience among healthcare providers nationwide.

In addition, Summit Medical Group's overall composite score for all physician locations is 4.81 out of 5 stars.

"In our mission to improve the overall health of our patients, we strive to extend superior service starting the minute you walk through the door of one of our locations," Summit Medical Group CEO Ed Curtis said. "Our patients at Tellico Village and across the region have rated us among the top for patient experience, reinforcing how dedication to top-quality care is evident in all that we do. I applaud our providers and staff for earning this recognition from our valued patients in the Tellico Village community."

The 15 Summit Medical Group locations ranked in the top 10 percent for overall best patient experience in 2018 are:

- Fort Loudon Family Medical Center
- Greeneville Family Medicine
- Greeneville Internal Medicine & Family Practice
- Internal Medicine Associates
- Kenneth C. Reese, MD
- Kim H. Cline, MD
- M. Scott Gardner, DO
- Middle Creek Family Practice
- Philip Thwing, MD
- Powell Family Physicians
- Summit Medical Group at Deane Hill
- Summit Medical Group at Northshore
- Summit Medical Group of Clinton
- Summit Pediatrics at Maryville
- Summit Medical Group at Tellico Village

Three other locations received scores in the top 10 percent but were not named to the final list because they joined Summit Medical Group within the year of 2018 and didn't have surveys for all quarters. Those locations are: Summit Urgent Care of Greeneville, Shults Pediatrics and Children's Faith Pediatrics.

The scores are calculated by patient satisfaction questionnaires conducted for Summit Medical Group and other provider groups by SurveyVitals and completed Jan. 1 – Dec. 31, 2018.

For more information about Summit Medical Group, visit www.summitmedical.com.

TV LIONS

At its recent convention, Lions District 12N honored Harmon Towne by awarding him the Lion of the Decade Award. Towne was selected to recognize his contribution to Lionism, as well as the community of Tellico Village.

As a member of the TV Lions for over 10 years, he has served in a number of significant positions. These include Club President, Vice President, and Secretary, the latter over the period of the last seven years. He has served as vice chair of a number of fundraisers, including spaghetti dinners, golf scramble, and flyer delivery program. He has been named Lion of the Year on two occasions and has been awarded a Melvin Jones Fellowship, a prestigious award made by Lions Clubs International that recognizes outstanding service.

Within District 12N and State of Tennessee Lions activities, he has served as a District Zone Chair and has served on the BOD of Lions Volunteer Blind Industries for seven years. He capped off service to that organization by serving as Chairman of the BOD during the 2013/14 business year.

Towne is well known within Tellico Village for his service to a number of village activities. These include sixteen years of service with the TV Volunteer Fire Department as both a firefighter and first responder. He has worked with the Tellico Players managing lighting for a number of productions; he also used this expertise to manage lighting for a number of community patriotic and holiday celebrations. He has also contributed countless volunteer hours during the construction of five Habitat for Humanity homes sponsored by various Tellico Village organizations. Towne also organizes a group of trash pickers to participate in the annual Lakeshore Clean-up event.

Based on this impressive record of service and his selection as District Lion of the Decade, Towne has been nominated for State Lion of the Decade. He will compete against distinguished Lions from 44 clubs across the entire state of Tennessee.

JUNIOR ACHIEVEMENT

Junior Achievement of the Ocoee region serves Bradley, Polk, McMinn, Meigs and Monroe counties. Their purpose is to inspire young people to succeed in a global economy. JAUSA is the largest organization of any kind that is dedicated to helping students grasp the skills they will need to enjoy economic success. This includes teaching them how to prepare for their future by making smart academic and economic choices. Their curriculum focuses on work readiness, entrepreneurship, and financial literacy.

The courses are taught by volunteers equipped with materials and training on how to best teach the class. Many volunteers in our service areas are former school teachers, retired business owners, etc. Volunteers share personal and professional experiences to help make connections between the curriculum and success. More information regarding the organization may be found at www.juniorachievement.org.

JA of the Ocoee Region is seeking volunteers to fulfill requests for classes at Vonore Elementary. Volunteers would come in one day a week during the requested time frame. Much of the curriculum for elementary students centers around how to count money, what taxes pay for, and how a local government works. A more detailed description of the classes can be found at <https://www.juniorachievement.org/web/ja-usa/ja-programs>.

HIKING CLUB

Friday, March 29, 2019

Depart at 8 a.m. from Lakeside Realty parking lot

Honey Creek Loop at Big South Fork

Distance: 5.6 miles

Elevation Gain: 500 feet

Rating: Difficult

Driving Time: 2 hours

Leader: Ken Van Swearingen | 815-245-0247 | ken.vans9182gmail.com

It's only a 5.6-mile trail on paper, but the hike is an adventure. I isn't a typical walk through the woods or big elevation gain – yet everything about the primitive feeling Honey Creek Loop hike brings fun, including the many names of the different landmarks along the way. Around each corner lies landmarks such as Echo Rock, Boulder House Falls, or Ice Castle Falls, and an enormous rock house called "The Great Room." There will be large boulders to climb over and some to go through, along with a "lookout tower" to climb, plus multiple creek crossings. Located at the south end of Big South Fork National River and Recreation Area, Honey Creek Loop trail is one of the park's most rugged and challenging trails, but this trail offers a little something for everyone. Although it is only 5.6 miles, hiking time will approach 5 hours due to the beautiful scenery, creek crossings, and boulder climbs. Hiking boots and hiking sticks are recommended. Bring water and a trail lunch. Driving directions will be provided the morning of the hike. Carpooling is recommended; passengers are asked to contribute \$6 to the driver to help cover gas.

COMPUTER USERS CLUB

TVCUC General Meeting

Special Presentation: Terry Douglass, CEO of Provision Healthcare, will speak at the next general meeting of the Computer Users Club on Tuesday, April 2 at 7:00 p.m. in the sanctuary of the Community Church at Tellico Village. (Note the change in venue; a large turnout is expected for this program.) Terry Douglass will address the latest developments in proton therapy cancer treatment in East Tennessee. All are welcome to attend.

For more information, please visit our website at www.tvcuc.org.

GARDEN CLUB

The Tellico Village Garden Club is excited to introduce Alex Wyss, Director of Conservation Programs for the Tennessee Chapter of the Nature Conservancy. Wyss will present an overview of the Conservancy's work in East Tennessee on Thursday, April 4th at 12:30 p.m. at the Blue Heron restaurant. Wyss will delve into who TNC is and how it works, with a special emphasis on local results. Wyss brings together his experience in agricultural

sustainability, river restoration, and carbon offset projects to head up the TN statewide conservation effort. This is an open meeting for all interested residents of Tellico Village.

NEW VILLAGERS

The New Villagers Club holds a social the first Thursday of each month at the Yacht Club. Annual Recreation Easter Egg Hunt

We invite everyone to attend our annual Easter Egg Hunt at the Wellness Center on Saturday, April 20th at 10 am sharp. The Easter Bunny will be here for photos, so be sure to remember your camera. You do not have to sign up in advance to attend the Easter Egg Hunt and there is no charge. Just bring your running shoes and an Easter basket.

Closed for Easter

Don't forget the Recreation Department will be closed in observance of Easter on Sunday, April 21st.

Facilities Opening For the Season

It's time to mark your calendars for the spring opening of a few facilities. The clay tennis courts at the Wellness Center are scheduled to open for the season on Monday, April 1st. The outdoor pool at the Chota Rec Center is scheduled to open on Memorial Day weekend, Friday, May 24th. The outdoor pool at the Kahite Activity Center will be announced at a later date as construction of the new Annex facility continues. Please remember the opening of outdoor facilities are contingent on weather.

Women's Basketball Group

If you're a woman interested in playing basketball, then contact Johnnie Buckley at 865-898-3225. She is trying to generate interest in a 3 on 3 Women's basketball league.

REC 101

Join Lindsey Allison on April 9th in the Wellness Center conference room at 12:30 pm for 2019's first REC 101. Learn everything you need to know about being a member of the Rec Department.

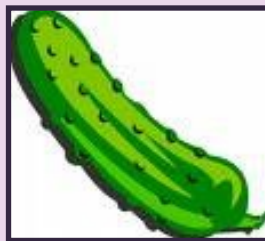

Shirts for Sale

New Recreation Department shirts are now for sale at the Wellness Center. Stop by the front desk and check them out. Sizes small through XXL are available and there are several colors to choose from. Prices are \$12.00 each or 2 for \$20.00.

Floor Training Continues in March

Join one of our amazing floor trainers on Mondays, Tuesdays and Wednesdays from 9 am to 11 am. If you have any questions about how to start or where to go next in your wellness journey, our fabulous floors trainers are a great place to start. Did we mention this service is available to you at no additional charge!?

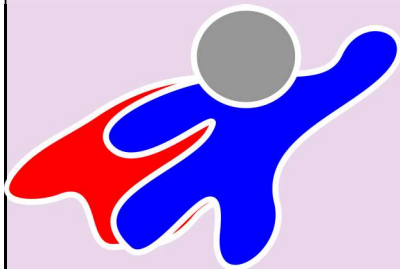

April is Pickleball Month

April is national Pickleball month and the Recreation Department and Pickleball Club would like to invite you to come out and give it a try. Every Wednesday in April, from 2 - 4 pm, you can drop in and learn how to play under the guidance of one of our experienced club members. Wednesday doesn't work? How about stopping by anytime during the entire last week of the month, Monday- Friday, from 2 - 4 pm. Guest fees will be waived for property owners, who are not currently Rec members; however, you will need to sign in at the Wellness Center front desk. There is no need to register in advance and all the equipment will be provided for you.

Camp Tellico Registration

Registration for Camp Tellico begins on April 1st at 8 am at the Chota Rec Center. Payments are expected at the time of registration. The cost is \$155 for guests of property owners and \$125 for children who live in Tellico Village. Don't forget, we accept a limited number of children for each week and spots fill up fast.

This year's theme is Super Hero Camp. Camp Tellico likes to focus on real life and imaginary super heroes. Camp dates are as follows: June 24th – 28th, July 8th – 12th and July 22nd – 26th. Waiting lists will be maintained if necessary.

Weight Equipment Orientations

Orientations on the proper use of the cardiovascular and weight equipment will be provided @ 2pm on the following days:

Tuesday, April 9th

Tuesday, April 23rd

Therapy. Can't make it on Tuesday? Then try again on Wednesday from 10 am to 12 pm and meet with a licensed Athletic Trainer from the Tennessee Orthopedic Clinic. One great service, two fantastic opportunities.

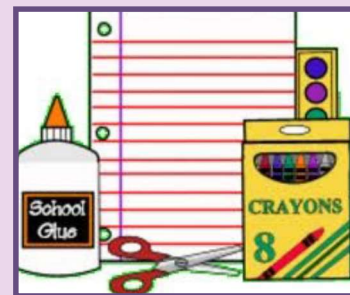

Joints in Motion (JIM) Returns to a Therapy Pool Near You

Beginning in April, you can once again join Mikki Barr in the Warm Water Therapy Pool on Tuesdays and Thursdays from 1 pm to 2pm. JIM is a warm water-based program designed to increase flexibility and balance while emphasizing muscle strength and posture, while decreasing joint pain and stiffness for anyone with chronic pain or following rehabilitation.

Donations

The Chota Rec Center and Wellness Center are currently drop off locations for books for the Annual Friends of the Library Book Sale. Remember that, if you are dropping off large quantities of books, you should do so at the library itself.

As always, the Chota Rec Center and Wellness Center continue to be a drop point for school supplies for Loudon County elementary schools.

It's Never Too Early to Make Pavilion Reservations

Are you interested in booking the Kahite or Tugaloo Beach? Contact Larissa Lownsdale at the Chota Rec Center, 458-6779. Those Spring and Summer events are booking fast. Get your date while you still can.

Pickleball is a fun, active, social paddle sport for all ages and skill levels and you can find out for yourself throughout the month of April.

During National Pickleball Month, the Tellico Village Pickleball Club and the Recreation Department are offering free, “drop-in” times all month where you can see what all the excitement is about. We’ll provide everything, and we’ll have players on hand to help you get introduced to the game as well. So stop by and give it a try!

We’re located across the parking lot from the Wellness Center, and we’ll have players ready to meet you and get you started **every Wednesday during April and every day during the week of April 22 - 26 between 2:00 and 4:00.**

See You On The Courts!

PET OF THE WEEK:

Frodo is a beautiful black labrador mix who is a little under 2 years old. Frodo is eager to please, energetic, and playful. He is looking for a family who wants an active dog who will chase and retrieve a ball, play tug of war, or proudly walk on a leash without pulling. As a large dog, he would do best with older children and a fenced-in yard. Frodo does not like cats. He is well behaved and a quick learner.

Top 10 Signs Your Dog Has Seasonal Allergies

1. **Itching.** Is your dog constantly scratching himself? This is a tell-tale sign of allergies.
2. **Red, Irritated Skin.** Just like humans, dogs can break out in rashes and hives when exposed to something they are allergic to. Look on their belly and feet, particularly between the toes, as these are the parts of their body that touch things like grass or pollen the most. Ears can be another area that gets inflamed due to allergies.
3. **Obsessive Licking.** If your dog is constantly licking, he may be bothered by something in his environment.
4. **Rubbing Face on Things.** Most often, it will be the carpet, your pillows, the sofa, etc. Some dogs will try and rub their entire body across a surface to alleviate itchiness caused by an allergy.
5. **Hair Loss.** If the allergy has been left untreated and your dog continues to be exposed to the allergen, they can suffer hair loss.
6. **Hot Spots.** Another result from continued exposure to an allergen without medication, hot spots can cause the skin to be so inflamed it becomes very red and will even bleed.
7. **Red, Stinky Ears.** Often, there will be an odor.
8. **Shaking of Head.** If your dog's ears are being bothered by allergies, your dog will shake his head often.
9. **Redness of Skin.** Allergies will also give dogs red skin near their mouth, chin, paws, and sometimes the rectal area.
10. **Puffy Eyes.** Dogs with allergies often get puffy, red eyes.

Donations for the Pet Food Pantry can be dropped off at the shelter during operating hours (closed Sunday and Monday). Food City in Vonore also has a convenient donation barrel by the customer service desk/self-check-out area so you can buy food and leave it right in the store. Thank you for your kindness and support.

Shelter statistics for last week: intakes: 30; shelter adoptions: 1; transferred to rescue: 12; returned to their owners: 2.
