The activity is sponsored by the Tellico Community Foundation along with the Prevention Alliance of Loudon County and Align9. The Drug Enforcement Agency (DEA) is the overall national sponsor. The Tellico Village site will be one of several thousand across the country conducting unused drug collections.

Take Back Day is the ideal opportunity for community residents to dispose of unwanted and useless prescriptions in a safe and secure manner.

GOLF-FOR-SIGHT

The time for the TV Lions Annual Golf-for-Sight Outing is fast approaching. This year's event will be held at the Toqua golf course on Saturday, May 11th commencing with a shotgun start at 9:00 a.m.. The format is best ball with foursomes either all male, all female, or mixed. There will be subsidiary contests such as longest drive, most accurate drive, and closest to the pin for both men and women. Participants will be able to hire a pro to make a shot for them; multiple mulligans will be for sale to help offset errant shots should they occur. The entry fees also include a continental breakfast as well as lunch after the outing.

This outing is the largest of the Lions annual fund-raising events. Funds generated during this outing are raised from the basic fees as well as those paid for the pro assistance and the mulligans; the bulk of the funds raised, however, come from sponsor support by local merchants. The sponsorships vary in cost from \$100 to \$1,000. Signage at the course identifies the sponsors and their levels of support. Participants are urged to patronize these sponsors as thanks for their support.

All of the funds raised go directly to support Lions service activities in the community. One example of the use of these funds is the monthly Lions Health Fair held at the Good Samaritan Center in Lenoir City. Over a four-hour period in the morning, Lions provide blood pressure checks, glucose level test and vision screening. Glucose testing is important because elevated levels of glucose can either indicate or be a precursor of diabetes, a primary cause of blindness in the United States. The vision screening checks for sight problems. Those deemed in need of glasses are handled in one of two ways. Those who meet US Poverty Guidelines are referred to an optometrist, who is part of the team, for further testing. Those not qualified are instructed to visit an eye doctor for further testing and purchase of glasses.

Those meeting the poverty guidelines receive a detailed eye exam and are issued a prescription for glasses. The TV Lions pay for both the cost of the exam as well as the glasses. In a typical month 10 to 13 individuals are examined and prescribed glasses. Costs run about \$100 to \$130 per individual or almost \$1,500 per month. Annually this program costs the Lions about \$15,000, the majority of which is covered by the proceeds of the golf outing. So if you want to have some fun while supporting a great cause join us for this event.

Team entry forms are available at all clubhouses. Additional information for golfers can be made by contacting Howard Higby at 458-9356 or via email at h-m-bowl@charter.net. Information for potential sponsor can be obtained from Larry Elder at 657-9722 or, via email at lelder49@gmail.com.

JUNIOR ACHIEVEMENT

Junior Achievement of the Ocoee region serves Bradley, Polk, McMinn, Meigs and Monroe counties. Their purpose is to inspire young people to succeed in a global economy. JAUSA is the largest organization of any kind that is dedicated to helping students grasp the skills they will need to enjoy economic success. This includes teaching them how to prepare for their future by making smart academic and economic choices. Their curriculum focuses on work readiness, entrepreneurship, and financial literacy.

The courses are taught by volunteers equipped with materials and training on how to best teach the class. Many volunteers in our service areas are former school teachers, retired business owners, etc. Volunteers share personal and professional experiences to help make connections between the curriculum and success. More information regarding the organization may be found at www.juniorachievement.org.

JA of the Ocoee Region is seeking volunteers to fulfill requests for classes at Vonore Elementary. Volunteers would come in one day a week during the requested time frame. Much of the curriculum for elementary students centers around how to count money, what taxes pay for, and how a local government works. UPCOMING EVENTS AND MEETINGS

TV HIKERS

Wednesday, April 24th

Depart at 8:00 a.m. from Lakeside Realty parking lot

Pogue Creek Canyon

Distance: 6 miles

Rating: Moderate/Difficult

Elevation Gain: (est) 1000 ft.

Driving Time: 2-1/4 hrs.

Leader: Tom Ringenbach | 865-201-9014 | tommamier@gmail.com

These trails are among the newest in the Tennessee State Park system, having been completed in 2014 and 2016. They offer two beautiful overlooks, arches, and numerous impressive rock walls. The original 1.75 mile Pogue Creek Loop Trail, half of which we traverse at the beginning of our hike and half at the end, is relatively easy/moderate. However, the Upper Canyon Trail (in and out totals 4.2 miles) drops (at times, steeply) into the canyon, then ascends to the peak on the opposite side, thus presenting a bit more challenging hike experience. The hike being just six miles and the elevation change, will hopefully be doable for most of our hikers. The Pogue Creek State Natural Area trailhead is located just two miles south of Pickett State Park.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Bring water, snack and a trail lunch. Carpooling is recommended; passengers are asked to contribute \$6 to the driver to help cover gas.

This year we are shooting for 100% support from the Village households. The Fire Department relies on the support of the Village residents for over 55% of its funding. PET OF THE WEEK:

Shaggy is a young adult male mixed retriever. He weighs about 45 pounds, has been neutered, and is up to date on all shots. Shaggy is housebroken, crate-trained, and walks very well on a leash without pulling. He was previously abused and is somewhat shy until he knows you will not hurt him. Shaggy loves attention, wants to play, and would be excellent with children. He does well with other dogs and cats and loves his treats. He does need a fenced-in yard. Please welcome Shaggy as part of your family.

Please remember a dog's true personality may not show through immediately in the shelter environment. Their kennel is now their "safe place" and some struggle a bit when removed from it. That does not mean they aren't sweet, loving dogs. It means they are uncomfortable and scared. Take the time to meet each dog. Pet them while they are still in their kennel and let them get used to you for a few moments before you take him/her for a walk around the shelter one-on-one.

All animals adopted are spayed or neutered, have age-appropriate vaccinations and testing, and are microchipped (with registration). You can meet Shaggy and many of his canine and feline friends at the Monroe County Animal Shelter located at 170 Kefauver Lane in Madisonville (behind Wal-Mart). The shelter is open Tuesday-Friday from 11–4:30 and Saturdays from 11–2. The shelter is closed to the public on Sunday and Monday. Call 423-442-1015 and check out all available pets on our website at www.monroecountyfriendsofanimals.org. Adoption gift certificates are available all year.

Have you been spring cleaning and don't know what to do with all your purged items? The MCFA Thrift Store, run by volunteers of The Monroe County Animal Friends of Animals (MCFA), is located at 3949 Highway 411 in Madisonville (across from Kentucky Fried Chicken). New merchandise arrives daily and is priced to move. Clothing, shoes, furniture, kitchen ware, bedding, appliances, books—we've got it all. Donations are greatly appreciated and are accepted Wednesday–Saturday from 10 a.m.–3:30 p.m. All proceeds go to help the homeless animals of Monroe County. Shopping hours are Wednesday–Saturday from 10 a.m. to 4 p.m. and worker volunteers are always in high demand. Like us on Facebook for up-to-date sale information. 423-420-3423.

Remember the animals at the shelter as you shop at the grocery store. We are always in need of Pedigree dog & puppy food and Purina One (dry) and Friskies (canned) cat and kitten food and clumping cat litter. Seasonal needs are blankets, dog houses, and heat lamp bulbs.

Shelter statistics for last week: Intakes- 41; Shelter Adoptions- 7
