Memberships are available for purchase by property owners in Tellico Village and Rarity Bay. Guest fees apply to any property owner who does not have an active membership and/or any guests. Memberships expire on the last day of the month, 12 or 6 months after your purchase, based on the date of purchase using the 15th of the month as a pivot point. Monthly autodraft memberships require a 12 month commitment and will automatically continue after the initial 12 months unless a written cancellation notice is turned in. Cancellation notices must be turned in by the 15th of the month prior the month cancellation needs to take effect. Monthly autodrafts can be placed on "hold" for up to 3 months. These requests must also be submitted in writing by the 15th of the month prior to the month you want to hold to take effect.
