Community Outreach

Fairfield Glade is the only community that reported having a Governmental Affairs Committee. Others were still being represented by a realtor (Foothills Point in Greenback; Stone Bridge, Lebanon;) or franchise builder (Cottages at Pryse Farm, Farragut). Del Webb Lake Providence (Mt. Juliet) and Southern Springs (Spring Hill) did not respond. The number for Wind River was disconnected. Rick Blough will notify the committee after POA talks are finished with Fairfield Glade. Then, the Tellico Village subcommittee can arrange a meeting with their contacts.

Meetings attended

Susan Kirk submitted a summary of the Committee of 100 meeting on April 8. Speakers included Jeff Harris (City of Loudon Mayor), Tony Aikens (City of Loudon Mayor), Buddy Bradshaw (Loudon County Mayor), Rodney Grugin (Chamber of Commerce), and Representative Burchett.

Property reassessment

The committee submitted a link to the property assessor's web page.

Traffic light-Lenoir City

The light was approved, with the help of Representative Burchett. (The GAC Committee's role was recognized at the Committee of 100 meeting.)

Monroe Rep. Chuck Fleischman

Member package-onboarding

Sharon is drafting materials: committee roster; list of members and sub-committees; a glossary with local terms and abbreviations; local government facts and officials. She will submit a package to committee members for input and approval.

Telegram items

The chair expressed appreciation for Telegram publication of key topics related to government affairs.
