

## 2024 POA Board of Directors Candidate

### Lavonne Mitchell

Lived in five states since moving from Canada to the U.S.: Arizona, Georgia, Texas, Alabama, and Tennessee. Now, I am happy to call Tellico Village my home! My professional background is in IT, where I specialized in project management and led global deployments of cloud-based solutions for major companies. PMI Certified, Six Sigma Green Belt. Core competencies: long range planning & managing to budget.

Involved in Tellico Village since 2018:

- Acted as VP Programs for the Tellico Village HOA and hosted POA Candidate Forums—now it's my turn to step into the spotlight as a Board Member candidate! This role gave me insights into the whole of Tellico Village.
- Organized various community events such as Flu Shots, Street Lunches, and Golf Groups. After listening to the residents, I responded to their needs.
- Served as Treasurer, then President, and now as VP Communications for the TVKWO, a 200+ women's organization and where I learned the issues facing the community.
- As a result of the many activities I have been involved in, I was honored to receive a Certificate of Appreciation from the Tellico Village Board for Distinguished Service.

My vision for Tellico Village is to ensure our property values remain strong by investing wisely in updates/maintenance as well as our amenities. It is crucial to balance all to maintain affordability that attracted many of us here in the first place.

My strengths lie in a commonsense approach, strong organizational skills, and effective communication with all stakeholders. I firmly believe in the mantra, "Plan now or pay later," and remain focused on the big picture without engaging in micro-management. As your Board Member, I am committed to facing challenges head-on and helping to strategically position Tellico Village for a successful future.

I am dedicated to and enthusiastic about Tellico Village and eager to contribute to our community's continued success. I appreciate your support and look forward to working together to make Tellico Village an even better place to live.

**I am committed to managing responsibly for the future!**
