TVB CORNER

Did you know that we had more than 4,000 viewers on Vimeo alone this month? Pretty amazing. And that's not counting those who saw us on channel 193, or at the Wellness center, or elsewhere. Do you know something else? Some of those viewers were in communities in IL, Michigan, Florida and many other places that many of our new residents relocated from. Now why do you suppose they are watching TVB? Because they can see a slice of what it's like to live in Tellico Village. Think about that the next time you think about marketing. TVB is more than communication to Tellico Villagers. It's a window that allows people who are thinking about moving to Tellico Village to peer through and learn what we already know. This is a great place to live.

What's new at TVB for this week. You can watch the latest programs by going directly to the links shown below. You can also save this link <https://vimeo.com/user6448027> to our Vimeo Channel where recent programs are ready for your viewing pleasure anytime.

Charter/Spectrum subscribers You can also watch TVB programming on Channel 193 on your Television.

TVB exists because of the dedication of our volunteer staff. We want to continue to improve both the content and the quality of our programming. If you have an interest in learning how you can be part of one of the most creative teams in Tellico Village, contact keith@maxapooch.com.

Meet the POA Candidates: The most important election for Tellico Villagers this autumn is the POA board election. Why? Your POA board has direct impact on the roads you drive on, the water you drink, the infrastructure and amenities that make Tellico Village the wonderful place that it is. Make sure you know who is running and for what they stand. Watch the recent HOA Town Hall Meeting that provided a form for this year's three candidates to speak. <https://vimeo.com/294919438>

County and Schoolboard Update: TVB not only updates you on the Tellico Village POA and HOA, we update you on the Loudon County Board meetings and the School Board meetings. Learn what is going on this month at the County Board update <https://vimeo.com/296177429> School Board Update and at the School Board Update.

Shops of Christmas and Ladies Luncheons: Join Ellen Frohriep and Karen Sue Keith as they discuss the monthly Ladies Luncheons, and then change hats and provide viewers a peek at the Shops of Christmas which is coming this November. Ellen and Sue provide information about the upcoming Shops of Christmas as well as what occurs at the monthly luncheons. Ladies don't miss this program!

POA UPDATE: POA Board President Bruce Johnson discusses what happened at the last POA board meeting including: HOA dues increase Results of Long-Range Planning Committee survey, Golf Tournament fund raiser for library and more. <https://vimeo.com/294375049>

HOA Highlights and Happenings with Annette Schmidt: In this month's Highlights and Happenings Annette discusses how HOA social programs are developed, the kinds of activities and more. ADOPT-A-CLASS TN

Kindergarten Students Need Computer Help

Adopt-a-Class has been asked to provide assistance in the computer lab at Loudon Elementary School. Our volunteers from Tellico Village have an active role working with students in kindergarten through fifth grade. At this school, all students use computers in their classrooms as well as receiving additional instruction in the computer lab once a week. The instructor has requested assistance with her kindergarten classes. At this age, children are learning the alphabet and numbers, but few are reading. These children attend computer class once a week from 12:35-1:20, on Monday, Wednesday, Thursday or Friday.

Help is also needed with more advanced computer skills for fourth and fifth graders. Fifth grade students are scheduled 1:25-2:10 on Monday, Wednesday, Thursday or Friday. Fourth graders go from 2:15-3:00 on Wednesday, Thursday or Friday.

Please call or text Karen Hamerslag at 352-219-1046 or email to adopt.a.class.tn@gmail.com for more information or to register. The school is located just off Hwy 72, about 10 minutes from the south entrance to Tellico.

UNITED WAY CAMPAIGN OFF AND RUNNING

Thanks to great weather and a sizeable crowd, the 4th annual Street/Business Fair launched the 2018 UW Campaign in the village to a great start. Village Square in and around the Welcome Center was populated with tents, tables, and chairs. A large grill populated by village businesses, partner agencies, and volunteers prepared and served the hot dogs, cookies, chips and water. And of course, most importantly, the area immediately around the Center itself was populated by 43 vehicles from the Village Corvette, Vintage/Classic Car, and Motorcycle Clubs, all on display for viewing by visitors and competing for most popular vehicle in each class.

After tallying the donations collected for United Way at the rate of \$1/vote the following vehicles were judged most popular in each class:

- Corvette – a 2008 Corvette owned by Hobie Horchler;
- Classic/Vintage – a 1957 Ford Thunderbird owned by Ted Newton;
- Motorcycle – a Yamaha X5650 owned by Roy Moore.

Each winner received a \$25 gift certificate at a local restaurant. The total amount raised through votes was \$240. Thanks to all the vehicle owners and voters who participated.

Another feature of the Fair was an opportunity for residents to learn more about the partner agencies of United Way; these are the agencies who, after a vigorous vetting process, receive funds from UW. The following partners participated and had information tables for residents to visit:

- Good Samaritan Center
- Loudon County Senior Center and Office on Aging
- Tellico Village Volunteer Fire Department
- CASA of the 9th Judicial District
- Boys and Girls Club of Loudon County
- East Tennessee Epilepsy Foundation
- Project Lifesaver
- Senior Citizens Home Assistance Service
- Loudon County Health Improvement Council

In addition to serving residents of the county at large, a number also have Tellico Village residents as clients.

The newest feature of the Fair was the inclusion of business sponsors who serve the community. The following participated:

- Southeast Bank
- Flexx Fitness
- Caribbean Canines
- American Commissary
- Summit Medical Group Tellico Village
- Gallaher Surgical
- Plemmons Legal and Title
- Premiers Consignment

In addition to their physical presence, each of these firms became a sponsor by making a \$300 donation to United Way. These funds gave the village campaign a significant jump start towards reaching the \$100,000 goal established for the 2018 drive.

Residents will be able to make their donations shortly when donation packets are mailed within the next 10 days. Each household will receive one which contains detailed information on the 32 partner agencies as well as the necessary forms to complete and mail along with their donation made out to United Way Loudon County. Remember, your donation is helping improve the quality of life for your neighbors in the community who are not as fortunate as most of us who reside in Tellico Village.

THANKS FOR YOUR SUPPORT

LONG RANGE STRATEGIC PLAN UPDATE

Over 40% of Tellico Village property owners completed the Long-Range Strategic Plan (LRSP) Questionnaire. This level of participation is unprecedented and the Long-Range Planning Advisory Committee (LRPAC) wants to thank all you who took the time to help “Shape Our Future”. This input will be an important element in the committee’s final recommendations to the POA. The final LRSP will include other sources of information including data analysis and forecasting, benchmarking other active adult communities, focus groups, and much more. We are still analyzing the results which include reviewing over 1,900 comments. As promised, one of the basic tenets of the LRPAC is communication and transparency. Therefore, the LRPAC will now share some partial and preliminary results.

Vision

- 61% of respondents chose the following vision statement: Maintain what we have, adding amenities only when needed and justified. Assessments and fees will be raised only enough to pay for infrastructure maintenance and justified amenities.
- 33% of respondents chose the following vision statement: Tellico Village will set the standard for active adult communities by continuously improving our community and by adapting to our property owners' changing needs. Assessments and fees will be increased to achieve a best in class community with a high-quality lifestyle but remain competitive and fiscally stable.
- 5% of respondents chose the following vision statement: Maintain the Village as it is without adding additional amenities or expanding existing facilities. Assessments and fees will only be increased for existing infrastructure maintenance and inflation.
- The “Vision” results were similar across age and residency bands.
- 51% of respondents want to keep TV primarily as a retirement community and 38% supported encouraging working adults and families to move into TV.

Demographics

- 85% of respondents were 60-79 years of age; 9% were younger than 59; 6% were older than 80.
- 38% of households had lived in the Village less than 5 years; 21% 5-10; 33% 11-20; 9% 20+ years.

Top Priorities

- Village finances, aesthetics and environment, growth, recreational amenities, and property owners’ vision for the future of the Village were chosen as the 5 top priorities.
- Finance was the number 1 priority issue.
- 84% of respondents are satisfied with TV’s aesthetics but many comments suggested concern for the future. Concerns included maintaining our natural environment and enforcement of Village rules.
- Our restaurants, recreational facilities, waterfront, and golf were all chosen as enhancing the value of TV. Commercial businesses had the lowest percentage of responses to this question.
- Overwhelmingly, our recreational facilities (golf, wellness center, etc.) met or exceeded expectations.

Growth

- 67% of respondents were very satisfied or satisfied with our current and projected growth, 13% were very dissatisfied or dissatisfied.
- When asked how the POA should approach growth 53% of respondents chose “encourage growth and plan for it” while 38% chose “allow growth to occur passively”

The next step in the development of the Long-Range Strategic Plan will be conducting focus groups. Over 600 Villagers volunteered to participate in the focus groups. These will occur in November so stay tuned. If you have any questions for the LRPAC about the Long-Range Strategic Plan you may submit your questions or comments at: www.tellicolife.org/news

TELLICO COMMUNITY FOUNDATION

LENOIR CITY FAMILY RESOURCE CENTER GETS LATEST TCF GRANT

Susan Fox was pleased when she got the call from the Tellico Community Foundation informing her that the Lenoir City School System was the latest recipient of a grant from the TCF for the “Let’s TALK” early childhood literacy project. Fox is the Director of the Lenoir City Family Resource Center (LCFRC). “This grant will be a tremendous help to us and we are so pleased to be selected,” Fox said.

LCFRC is the school district’s link between the home, school, agencies, and community. Fox leads the core team behind the “Let’s TALK” project that also includes Lenoir City Elementary Principal Don Maloney, preschool lead teacher Melody Hobbs, parent educator Linda Tillery interpreter/translator Mary Gonzalez, and LCFRC Assistant Wendy Stooksbury.

Early Childhood Literacy is one of the recently announced focus areas for the TCF. The Foundation will concentrate its grantmaking on the literacy needs of Loudon and Monroe County communities, including both English and Spanish-speaking populations.

According to Fox, learning begins at birth and the brain develops more in the first five years than at any other time during a person’s life. Deficits in early literacy and math begin well before kindergarten with skill gaps widening along family income lines from as early as 9 months of age and growing exponentially by 24 months.

Principal Maloney further commented, “Research has demonstrated that early literacy and math skills at kindergarten entry predict future academic success. That’s why we are excited about the TCF grant. It will help in a critical area.” TCF’s initial grant will provide \$500 for the purchase of bilingual books for children in the 0-4 age group to facilitate school readiness.

A recent FOUNDATION Matters program produced by Tellico Village Broadcasting provides more information about the “Let’s TALK” program and the importance of the Tellico Community Foundation’s grant. This episode can be found under “Videos” , and then “Vimeo” at www.TellicoVillageBroadcasting.org or by using the direct link <https://vimeo.com/290779934>

Further information about the Tellico Community Foundation and its activities can be found at www.etf.org/Tellico, on the organization’s TellicoLife page, or in the new TCF brochure available at the Tellico Village Welcome Center. Donations to TCF can be made online at www.etf.org/Tellico or by contacting Trudy Hughes of the East Tennessee Foundation at thughes@etf.org or at (877) 524-1223.

NOTE CHANGE OF TIME

MT. LECONTE via BOULEVARD AND ALUM CAVE TRAILS (shuttle)

Distance: 13.1 miles

Rating: Difficult

Driving Time: 2 hours

Elevation gain: Approx. 1700 feet

Leader: Ken VanSwearingen 865-201-0247 ken.van918@gmail.com

The 8.1-mile ascent will start on the Appalachian Trail from Newfound Gap. The starting elevation is 5000 feet and we will ascend about 1200 feet in the 2.7 miles to the junction with the Boulevard Trail at Mt. Ambler. Leaving the AT for the Boulevard Trail we will descend about 500 feet in the first mile. In the next 3 miles we will gradually climb back 300 feet to an elevation of 6000 feet. The last 1.3 miles will have us climbing about 700 feet to the Lodge at Mt. LeConte. There will be very nice vistas to see during the hike on the A.T. and Boulevard.

On the 5.0-mile hike down the Alum Cave trail, we will see some of the most spectacular scenery in the park. This trail is steep and there are numerous places where the park has installed cabling to hold onto for safety purposes. The views are wonderful!! There are two major distinguishing features on this trail. The first that we will come to is Alum Cave Bluffs, which is a little more than half way to the bottom. Leaving the cave, we will come to Inspiration Point where we will have wonderful views of the valley on our way to Arch Rock, the other major feature on the trail.

Hiking boots and hiking sticks are recommended.

Driving directions will be provided the morning of the hike.

Since 2006, multi-award winning and multi-Dove Award nominated recording artist Tribute Quartet has become one of the country's most dynamic, beloved and sought after male quartets in all of gospel music. Gary Casto, Josh Singletary, Riley Harrison Clark, and Anthony Davis have proven to possess a combination of musical talent, warm and engaging personalities, and a focus that has kept them on the path to continued success since their inception.

In an ever-changing musical climate, Tribute has remained steadfast in their goal to make music that is both timely and relevant to the current musical scene and their fan base while propelling their mission to share the Hope of the Gospel. With a career that has already spanned the U.S., as well as several foreign countries, Tribute continues to shine a Light into a world in need of truth, hope, love and healing.

With several awards and number 1 songs to their credit, Tribute's music continues to inspire and encourage generations of believers. With their passion for this music and the message it brings, this team is dedicated to a quality presentation of communication through the art of gospel quartet music.

Fans, peers, and industry insiders agree Tribute brings a breath of fresh air to Gospel Music.

There are so many myths and misinformation about bears that few people really know the truth about black bears. Do we need to be afraid of them? How can we co-exist peacefully with them. These are the things Bill Lea will discuss with us while we enjoy beautiful photos of these amazing animals.

PET OF THE WEEK:

This week's Pet of the Week from the Monroe County Animal Shelter is Mia. Mia is a medium size short-haired pointer mix, primarily black with a small white blaze. We estimate her to be about 4 years old. She came to the shelter in early September. Mia didn't get all the love and attention she needed in her previous home and was very timid and frightened when anyone came near her. Our volunteers have spent extra time with Mia and she slowly began to trust people and look forward to her meal times and walks. After six weeks, she is now happy to greet you for her dinner (along with any treats you care to offer) and allows anyone to walk her. She is a beautiful dog with a graceful gait who walks nicely on a leash. Mia is one of our shelter success stories and is so looking forward to getting a home where she can be part of a family who will love and take care of her. Please come meet her at the Shelter. The Monroe County Animal Shelter is at 170 Kefauver Lane in Madisonville (behind Wal-Mart) and is open Tues-Fri 11-4:30 and Saturdays 11-2. The shelter is closed Sunday and Monday. Call 423-442-1015 or check out all available pets on our website at monroecountyfriendsofanimals.org. The Monroe County Friends of Animals (MCFA) operates a monthly food pantry to help pet families in Monroe County. Our supplies are low and we are reaching out to the community to help. Any donations of canned or dry puppy and dog and kitten and cat food is needed and will be appreciated. Shelter Statistics for last week: Shelter Adoptions-13; Transferred to Rescue- 35, and 4 dogs (and/or cats) were returned to their owners. Also, 8 kittens were adopted at the event at PetSmart!

Shelter Needs: Pedigree dog and puppy canned and dry food. Friskies canned pate flavors, Purina One dry cat and kitten food. Donations vial PayPal can be made from our website www.monroecountyfriendsofanimals.org or checks mailed to MCFA, PO Box 106, Vonore, TN 37885. All funds are used for animal care including veterinarian fees, antibiotics, testing, vaccinations, flea and heartworm control, cat litter and sanitary litter boxes. Donations can be dropped off at the Shelter, during shelter hours.
