MAY 14, 2019

BOARD WORKSHOP HIGHLIGHTS

The Board Workshop was held on May 7th. State Representative Lowell Russell stopped by to deliver good news of a recently passed bill that provides Tellico Village a tax exemption up to \$25,000 when purchasing public works equipment. This will afford us tremendous savings and is a step in the right direction toward receiving future aid and exemptions from the State.

HVFD / Kahite EMS: Lee Fadeley & Jolyne Thoreson

Lee Fadeley, Fire Chief at Hopewell Volunteer Fire Department (HVFD), gave a presentation on the department's operations in Madisonville and surrounding areas, and its partnership with Kahite EMR program.

HVFD is run by volunteers who spend hundreds of hours of fire and EMR training each year. They cover approximately 25 square miles in Monroe County, with Kahite being the largest concentration of population served. HVFD only receives \$8,000 from Monroe County annually, which isn't enough to keep the operation running. Their major revenue source comes from the Kahite HVFD Golf Tournament, which brings in an estimated \$20,000 each year. HVDS sponsors Kahite EMR program and provides them with fire protection.

POA MEETINGS AND EVENTS:

- May 16, 9 a.m. – ACC, POA Conference Room
- May 17, 9 a.m. – FAC, POA Conference Room
- May 20, 1 p.m. – Dock Captains, POA Conference Room
- May 20, 3:30 p.m. – GAC, Wellness Center
- May 22, 1:30 p.m. – Board Meeting, Top Floor Yacht Club

Jolyne Thoreson with Kahite EMR program presented an overview of the program's operations and its partnership with HVFD.

Kahite EMR program couldn't exist without a fire department sponsorship and is grateful for HVFD's partnership. The program is also supported by the POA Board, Monroe County officials, and the Kahite EMR Advisory Board. Current emergency medical responders include volunteer firefighters, RNs, and a pharmacist. Kahite EMRs complete an introductory course, participate in continued training, and maintain CPR certification. They are on a volunteer basis and can help in situations with falls, broken bones, high blood pressure, heart attacks, strokes, and diabetes complications, among others. Kahite EMR program helps with fundraising for HVFD and grew fundraising from \$6,000 in 2015 to \$21,000 in 2019.

On Saturday, May 4th, 84 golfers participated in the annual golf tournament for HVFD at the Links at Kahite. The winning teams were:

1st: David McDonald / Bronco Vonhoerling / Brian Johnson / Randy Roffers

2nd: Rich Hughes / Granger Hughes / Chris Odom / Jeremy Smith / (Hughes and Associates)

The event was sponsored by Hughes and Associates of Cleveland, TN, and supported by over 75 local businesses that made donations or provided silent auction items. In addition, Kahite residents made personal donations totaling \$13,000. The combined contribution amount for Hopewell Volunteer Fire Department totaled \$25,000! Anyone wishing to donate to the Hopewell Volunteer Fire Department may contact Don Hageman at (423) 884-3501.

First Impressions: Carla Johnson

Board member Carla Johnson hopes to improve first impressions in POA facilities by cleaning, organizing, and streamlining the appearances of the common areas. New rules regarding furniture donations, bulletin boards, and posters will be forthcoming.

Other Business: All

The tree removal permit has been reviewed and discussed at length by the POA Board and the ACC; all parties have come to the unanimous conclusion that the tree permit requirement and fee for lots with existing homes should be eliminated. This change passed 6-0 with Mike Colacone absent.

CAC HIGHLIGHTS

The Communications Advisory Committee met on May 9th. The minutes from the April 5th meeting were approved.

Goals 2019 Update and Assignments: Beth Kuberka

- Number of clubs and activities on POA website that aren't on Tellico Life: 31
- Crisis Communications Plan was delivered to Board on the 8th for review and will be presented at the May Board meeting for approval.
- Communications Policy and Strategy: still in drafting processes post-workshop
- Have started meeting with department heads to inform them of the protocols and procedures that should be adopted when delivering communications.

Communications and Marketing Report: Beth Kuberka

- Leads are slightly down because *Where to Retire* sends leads once a month as opposed to weekly, causing the numbers to be delayed
- Discovery requests are down due to less planning and more spontaneous visits
- Walk-in traffic is up
- 27 POA lots closed and 24 under contract
- POA and HOA should partner with New Villagers to bring more people to the welcome orientation/POA 101
- Round Table Event in September: 8 similar communities invited to brainstorm, share ideas, etc.
- Tellico Village Business Alliance renewals are wrapping up with a few more than last year; will be distributed in June
- Once the first quarter newsletter is delivered, a push for online distribution will begin

-
- There will be a new page coming soon on the POA website for the Marketing and Communications Department

Social Media & Lifestyle Report: Lisa McCray

- Facebook has 268 more followers than last month
- Twitter: 355 total followers
- Farmers Market begins May 22; many new farmers and vendors are participating for the first time. The new location is Tugaloo Pavilion. Food trucks have been invited.

TVB report: Keith Sanderson

- Working to cover more local news, events, and culture, such as the recent Computer Club Group's 10,000th computer giveaway ceremony and the Monroe County Student Art Fair.
- Strength and weakness analysis of TVB station on Tuesday to determine direction

LRPAC MEETING CANCELED

The Long Range Planning Advisory Committee meeting that was scheduled for Thursday, May 23rd, has been canceled. The committee will resume regular monthly meetings on June 27th.

UPDATE: TOQUA CLUBHOUSE & KAHITE COMMUNITY CENTER

TOQUA: This week, the focus is working on the roof and trusses in preparation for the final roofing material.

KAHITE: The roof is complete. This week, they are wrapping beams and forming column block to prepare to put stone around them.

Stay up to date with the ongoing construction for both projects! Click [here](#) for the progress at Toqua and click [here](#) to see progress at Kahite.

HANDICAP PARKING SPACES

We all see handicap accessible parking spaces every day, but how often do we stop to remember the etiquette regarding these spaces? There are two main types of handicap spots: standard and van/wheelchair accessible. All handicap spots are located at the front of the parking lot and have a ramp nearby, but the differences between these types are important to note when choosing the handicap space that is most appropriate for your needs.

A standard handicap parking space are the most common spaces that most people are familiar with. They are typically marked with a blue wheelchair logo and can accommodate sedans, SUVs, and vans, but are not large enough for wheelchair access.

Wheelchair-accessible handicap parking spaces are typically wider and may be labeled as "van accessible." These spots have a 96-inch-wide white striped area on one or both sides that provide extra space for those who enter and exit the van in a wheelchair.

Never park in the white-striped area, even if the parking lot is full. Doing so could prevent the person parked in that handicap spot from being able to enter their vehicle.

Avoid parking in the wheelchair-accessible handicap spaces if you're not driving a van and need extra room for a wheelchair. These spaces are often limited and should be reserved for those with wheelchair ramps or lifts. If all the standard handicap spots are full and you're physically able, consider parking in standard, non-handicap spot near the front, especially if you will be parked for a long time.

IRRIGATION TIPS

It's almost time to start up your irrigation systems for the season! Before you do, we'd like to share some tips on how to properly irrigate your lawn. The truth is, most homeowners overwater their lawns, which causes unnecessary cost overruns and can actually damage the grass. To learn how to best irrigate your lawn, watch [this video](#) with Dr. Tom Sample and TVPOA Staff Engineer Bud Murray. You can also read the full presentation [here](#). Check your irrigation settings today to prepare for summer!

LETTER OF COMMENDATION

On April 9, 2019, at approximately 4:30 p.m., Tellico Village Fire Department (TVVFD) Advanced Emergency Medical Technician (AEMT) Gene DeSanto and Emergency Medical Responders (EMR) Alan Abney, Daniel Hanley, and Joseph Beyel responded to a 911 dispatch call regarding a traumatic injury at 326 Okmulgee Circle.

Upon arrival, the responders found Mr. Pat Sol on his dock with a severe laceration to his leg, caused by a reciprocating saw. Mrs. Sol was applying pressure to the wound in order to staunch substantial bleeding. The responders assessed the injury and found it to be a severed artery which was spurting copious amounts of blood. The responders, recognizing the life-threatening implications of this wound, quickly applied pressure, pressure dressings, and a tourniquet to Mr. Sol's wound. Priority Ambulance Medic 22 arrived and added a second tourniquet. Mr. Sol was transported to the University of Tennessee Medical Center (UTMC).

Later that night at a fire call, Priority Ambulance Medic 22 crew approached Fire Chief Jerry Dougherty and stated that the quick and appropriate action taken by the above responders saved Mr. Sol's life.

On May 4, at the TVVFD Open House, Mr. Sol walked into the fire station and presented a letter of commendation to Fire Chief Jerry Dougherty. Mr. Sol credited the responders, ambulance crew, and UTMC personnel with saving his life. He stated he was told he had lost two liters of blood. He underwent four surgeries and spent numerous days in a rehabilitation center. Mr. Sol graciously granted permission to the TVVFD to disclose his identity and the circumstances of his injury.

AEMT DeSanto and EMRs Abney, Hanley, and Beyel are commended for their quick and appropriate actions and their medical expertise that contributed to saving the life of Mr. Sol.

STOP THE BLEED

The American College of Surgeons and the Hartford Consensus addressed the increasingly frequent occurrences of active shooters and explosive events. They developed the national Stop the Bleed program and stated the following:

Today, we live in a world where terrorism and the actions of unstable people are becoming increasingly more frequent.

Massive bleeding from any cause, but particularly from an active shooter or explosive event where a response is delayed, can result in death. However, anyone at the scene can act as an immediate responder and save lives if they know what to do.

The Tellico Village Volunteer Fire Department is now presenting one-hour Stop the Bleed classes. Learn the ABCs of bleeding control:

- A — Alert 911
- B — Bleeding-find the bleed
- C — Compress-pressure, tourniquet and wound packing

To express interest in a class, email tellicovfd@gmail.com with your name and phone number. You will be contacted when a class is formed. As with our CPR classes, there is no charge for the Stop the Bleed class.

LOUDON COUNTY CLERK

The Loudon County Clerk's satellite office is open every Thursday from 9 a.m. – 4 p.m. Their office space is conveniently located at 100 Chota Center, across from the gas station (courtesy of Lakeside Real Estate Group). The Loudon County Clerk's office assists customers with vehicle registrations, duplicate titles, vehicle renewals, and handicap applications.

TIMELESS TELLICO FOUNDATION

The Board recently approved the Timeless Tellico Foundation. The foundation was established as an alternate funding vehicle for amenities in the Village. Our initial amenities will be for recreation and trails.

*Creating a legacy for generations
to come in Tellico Village...*

We are now recruiting for our inaugural board of trustees. Trustee candidates will be interviewed by the Recreation Advisory Committee on May 16th and May 23rd.

What we are looking for:

- Candidates that are community minded with a passion to make your community better.
- Team members that thrive on making things happen.
- Trustees that will be engaged and involved.
- Candidate fundraising and non-profit experience is a plus, but not required.

Our initial tasks will be:

1. Create an approved naming rights inventory list.
2. Designate and complete our first small project (\$10 -\$20,000).
3. Designate our first large project (\$250,000+).

Are you ready to get involved in an exciting endeavor that creates quality recreational life experiences now and for the future in Tellico Village? **Please contact Simon Bradbury at sbradbury@tvpoa.org to schedule your interview.**

Distance: 11.7 miles

Rating: Difficult

Driving time: 2 hours

Elevation gain: 800 feet

Leader: Tom Gibbons 312-316-6929 thomasagibbons@gmail.com

This trail is one of the most interesting and beautiful trails in Tennessee. It features scenic overlooks and passes by several waterfalls and cascades including Virgin Falls where the stream emerges from a cave and crashes 110 feet into a sinkhole.

Hiking boots and hiking sticks are recommended. Driving directions will be provided the morning of the hike. Please bring water and a trail lunch. Carpooling is recommended; passengers are asked to contribute \$6 to the driver.

HOA

HOA's general meeting will be May 23rd from 4 – 6 p.m. at the Community Church at Tellico Village.

The HomeOwners Association of Tellico Village (HOA) provides multiple opportunities for members to Be Informed about topics affecting our community. Any property owner is welcome to attend.

The meeting will kick off with an informative Property Owners Association (POA) update by Winston Blazer, POA General Manager. We'll then have a special presentation by Melissa Lindquist from the Tennessee Valley Authority (TVA) on the February 2019 Flood & River Management. The next presentation will complete the two-part Cyber Security series – Securing the Things Around You. Concluding the meeting will be a brief update by Keith Sanderson on the Monroe County Friends of Animals.

You'll also want to make sure and save the date of June 20th for a special meeting that will celebrate the 30th Anniversary of the HOA in Tellico Village. We've got a great meeting planned – you'll hear interesting stories on the history of TV/HOA that recognize the contributions of the early Pioneers to the success of the Village, along with the continuing positive impact on homeowners through HOA volunteerism.

PET OF THE WEEK:

Fuzzy, Stewie, and Mary are 15-year-old siblings from the same indoor home. All are litter box proficient. Fuzzy is a medium-long haired tabby. He learned very quickly how to open his cage door, then he learned how to open the side compartment doors. He's very expressive and is a mumblor. When you are talking to him, he looks like he is hissing but he's sort of grinning. He also mumbles under his breath and will do some chattering. He likes to be held for a few moments but then wants to be in motion. He is a very busy boy!

Stewie and Mary are both short haired, white and gray cats. They are having a bit of a difficult time adjusting to shelter life. We are looking for an understanding, patient adopter or a temporary foster home for both of them together. They are very bonded and we won't separate them. They need to get into a home environment as soon as possible so they can feel relaxed again. They need a quiet bedroom where you can spend quality time with them multiple times per day until they are ready to roam the house.

Let your new cat set the rules at first. Don't be surprised if the cat hides in a box you have provided for several days. As long as he has food, water, a litter box, and toys, he will be okay. Chances are, when you are not in the room, he will be coming out to eat, use the litter box, and explore. Gradually increase your time with him. Talk to your cat when you are in the safe room. You may want to sit on the floor or bed and read a book aloud to help him or her learn the sound of your voice. He'll come around when he finally feels safe with you, but don't rush it. Count your victories in small increments: the first time he peeks out at you from a hiding spot, the first time he plays with a toy with you, the first time he takes a treat you offered.

All animals adopted are spayed or neutered, wormed, have age appropriate vaccinations and testing, and are microchipped with registration. Cats are litter box trained. \$50 adoption fee over 1 year old / \$60 under 1 year old.

The Monroe County Animal Shelter is located at 170 Kefauver Lane in Madisonville (behind Wal-Mart) and is open Tuesday – Friday from 11 – 4:30 and Saturdays from 11 – 2. Call 423-442-1015 for more information and check out all available pets on our website, <https://www.monroecountyfriendsofanimals.org>. The official Facebook page is "TN Monroe County Animal Shelter." Adoption gift certificates are available all year.
