Board Election: Bruce Johnson

- **The candidates running for the 3 open positions are Steve Schneider, Marty Inkrott, Sue English-Kovar, and Susan Kirk. Stay tuned for more information on each candidate.**
- Nominating committee declined to nominate any additional candidates
- Election committee reviewed and certified 4 candidates
- HOA will be holding a 'meet the candidate' night; date TBA
- The Board has decided the POA will not be casting votes on behalf of the POA lots

POA MEETINGS AND EVENTS:

- September 19, 9 p.m. – ACC, POA Conference Room
- September 20, 9 a.m. – FAC, POA Conference Room
- September 23, 3:30 p.m. – GAC, Wellness Center
- September 25, 1:30 p.m. – Board Meeting, Yacht Club
- September 26, LRPAC CANCELED

-
- The POA is consulting with PSAC and engineering firm regarding plans to build a second water tank and its location. It will most likely be in the north end of the Village. A second tank will help but not completely relieve the stress on our water system. It has been recommended that we supplement with water from TASS, add additional booster pumps, and work with residents to adjust irrigation schedules.

Dog Park Relocation: Bruce Johnson

- Currently located on property owned by a bank; a sale is pending
- Potential buyer wants the dog park to remain on the property
- Scouting new land in the event re-location is necessary
- The POA is willing to assist the dog park should they need to relocate

Docks: Pat White

- Dock Captains have addressed the Board regarding dock signups
- 0 available dock slips; 9 people on waiting list
- Developed a system to project the number of additional docks slips we need for next year
- Assessing dock slip fees

Food Services Meeting: Pat White

- Toqua Café: Historically, Toqua served 25-40 people for breakfast. Lunch and dinner at Tanasi and YC are overtaxed; Toqua Café needs to prioritize lunch and dinner to relieve some of that stress as soon as possible. Breakfast will be served once the restaurant is fully staffed and trained.
- Another Tell-E-Gram article is forthcoming regarding questions about Toqua Café's opening and addressing AWE foodservice operation.

SEPTEMBER BOARD MEETING

This month's Board Meeting will be held **next Wednesday, September 25th**. It was pushed back a week due to the Board Workshop's later date following the Labor Day holiday.

LONG RANGE PLANNING ADVISORY COMMITTEE

The open meetings of LRPAC scheduled for Thursday, September 26th and October 24th have been **CANCELED**. The committee plans to use these dates to complete the Long Range Strategic Plan and present the results to the Board. The LRPAC will give a presentation to the Board and Villager audience in the open session of the Board Workshop on November 5th at the Yacht Club.

YACHT CLUB CLOSED 9/28

The Yacht Club will be closed on Saturday, September 28th for private events.

TV LIONS 15TH ANNUAL OKTOBERFEST

On October 7th, the TV Lions will be holding their 15th annual Oktoberfest at the Yacht Club. At a Lions Club meeting early in 2004, Mike Kittl, a die-hard Austrian, came up with the idea of having this uniquely German event in Tellico Village. From its first iteration, it has been a huge success and a prime fundraiser.

In addition to great German food—bratwurst, sauerkraut, German potato salad, beans and condiments, and

of course, plenty of German beer—the Oktoberfest provides a great social evening where you can meet with friends and neighbors, dance or sing along to great music provided by DJ Steve Bartoleme. Food and beverage service will begin at 4 p.m. and continues until 7 p.m.

Due to the Yacht Club capacity, tickets are limited. If you want to join the crowd, get your tickets early. Priced at \$14/person, they are available from any Lion, Sloan's Home Center, United Community Bank and Village Salon. Parking at Tugaloo Pavilion and a free shuttle will be available.

Events such as this provide funds to the Lions club to support a myriad of activities, including donations to numerous service organizations. For example, funds raised from this and other events help support our participation in a Habitat for Humanity house build. This is a joint effort with other Tellico Village clubs (Kiwanis, Rotary Club, and Women's Club) and the Loudon Lions Club.

A project such as this and many others is only possible thanks to the fantastic support from the residents of Tellico Village.

SEWAGE TANK DANGER

While performing routine maintenance, the Public Works department recently came across this dangerous sight. The home on this lot was built too low, creating drainage issues that cause the backyard to flood during heavy rain. The homeowner used a saw to cut off the top of the tank to allow water to drain into. Among many potential dangers, this poses a huge threat for small children and animals; it would be very easy for your small grandchild or pet to accidentally fall in.

Unfortunately, this was not the only one that was found. Please DO NOT cut the top off of your sewage tank. If you are experiencing drainage issues, contact the Public Works department. If you see something like this or anything else that looks odd around any sewage tank, please call Public Works immediately at 865-458-4522.
